The following information appears in compliance with the 1987 State of Texas Hazing Law.

**Texas Hazing Law  
Texas A&M University**

On August 31, 1987 a new law went into effect in the State of Texas regarding HAZING. Below is an abbreviated summary, in question and answer form, of the contents of that law and the applicability and implications for students, faculty and staff at Texas A&M University. THIS IS ONLY A SUMMARY. Certain points in the law have been omitted in this summary for editorial purposes. For the full text of the law, please see Appendix D of the 1989-90 University Regulations.

**What is the definition of Hazing?**  
"Hazing" means any intentional, knowing, or reckless act, occurring on or off campus of Texas A&M University by one person alone or acting with others, directed against a student, that endangers the mental or physical health or safety of a student for the purpose of pledging, being initiated into, affiliation with, holding office in, or maintaining membership in any organization whose members are or include students at Texas A&M University. The term includes but is not limited to:  
(a) Any type of physical brutality, such as whipping, beating, striking, branding, electronic shocking, placing of a harmful substance on the body, or similar activity.  
(b) Any type of physical activity, such as sleep deprivation, exposure to the elements, confinement in a small place, calisthenics, or other activities that subjects the student to an unreasonable risk of harm or that adversely affects the mental or physical health or safety of the student.  
(c) Any activity involving consumption of a food, liquid, alcoholic beverage, liquor, drug, or other substance which subjects the student to an unreasonable risk of harm or which adversely affects the mental or physical health or safety of the student.  
(d) Any activity that intimidates or threatens the student with ostracism, that subjects the student to extreme mental stress, shame, or humiliation, or adversely affects the mental health or dignity of the student or discourages the student from entering or remaining registered in an educational institution, or that may reasonably be expected to cause a student to leave the organization or the institution rather than submit to act described in this subsection.  
(e) Any activity that induces, causes, or requires the student to perform a duty or task which involves a violation of the penal code.  
In addition, Texas A&M University has also defined hazing to include:  
(a) Misuse of authority by virtue of your class rank or leadership position.  
(b) Any form of physical bondage.  
(c) Any form of "Quadding".

**How do I commit a hazing offense?**  
A person commits an offense if the person:  
(a) Engages in hazing.  
(b) Solicits, encourages, directs, aids or attempts to aid another in engaging in hazing.  
(c) Intentionally, knowingly, or recklessly permits hazing to occur.  
(d) Has firsthand knowledge of the planning of a specific hazing incident involving a student of Texas A&M University, or firsthand knowledge that a specific hazing incident has occurred, and knowingly fails to report said knowledge in writing to the appropriate University official.  
**Does it matter if I did not intend to hurt anyone?**  
No. Texas A&M's policies state that if one of the above occurs, it is HAZING, regardless of the intent.  
**Does it matter if the person being hazed agrees to the activity?**  
No. The new law and Texas A&M's policies state that if one of the above occurs, it is HAZING, regardless of the consent or cooperation of the recipient.  
**What is the penalty if I'm found guilty of hazing?**  
(a) Failing to report hazing:  
Fine up to \$1,000 and/or up to 180 days in jail.  
(b) Hazing resulting in no serious bodily injury:  
Fine of \$500-\$1,000 and/or 90-180 days in jail.  
(c) Hazing resulting in serious bodily injury:  
Fine of \$1,000-\$5,000 and/or 180 days to 1 year in jail.  
(d) Hazing resulting in death:  
Fine of \$5,000-\$10,000 and/or 1-2 years in jail.  
(e) Except where the hazing results in death, the student may be required to perform community service in lieu of confinement in jail.  
(f) The student may also be subject to University disciplinary action, up to and including removal from the University, in addition to or regardless of any penalty imposed by the state.  
**Can an organization be found guilty of hazing?**  
Yes. An organization commits an offense if the organization condones or encourages hazing or if an officer or any combination of members, pledges, or alumni of the organization commits or assists in the commission of hazing.  
**Can I get into trouble for reporting hazing?**  
No. Any person who reports a specific hazing incident involving a student to an appropriate University official is protected from civil or criminal liability. However, a person who reports in bad faith or with malice is not protected by this section.

The following information appears in compliance with the 1987 state of Texas Hazing Law shown above:

**Student Organization Hazing Violations:**

Organization Name: Kappa Alpha Psi Fraternity  
Date of Incident: April 6, 1988  
Description of Incident: Three pledges were involved in incident on April 6, 1988, which involved being "padded" with a paddle. One ended up at the hospital because of bruises and pain to the legs. The actives did not suggest, approve, or have knowledge of the paddling. The pledges obtained the idea from a movie entitled "School Daze," which has scenes in which pledges paddle each other.  
Action Taken: The fraternity was placed on one year's probation by the Student Organization Board effective August 11, 1988. The president and pledge trainer were to take the Greek Leadership Class and visit regularly with the Greek Advisor.

Organization Name: Phi Kappa Alpha Fraternity  
Date of Incident: April 25, 1988  
Description of Incident: A pledge received a bruised pelvis while participating in a "Pete Rose Slide" at the Phi Kappa Alpha House. The slide involves covering the grass with water, and then the pledges do a head-first slide on the grass. Five to ten students were involved in the incident.  
Action Taken: The Texas A&M Interfraternity Judiciary Committee placed the fraternity on probation for the 1988-89 academic year, required the chapter to present an educational seminar concerning hazing each semester during the probation, and the three-year publication notice.

Organization Name: Phi Kappa Theta Fraternity  
Date of Incident: November 14, 1989  
Description of Incident: Two pledges of the Phi Kappa Theta Fraternity were taken by 13 members on a "snatch" breakfast in the back of a pickup truck. They were told to remove all of their clothes except their underwear. They were caused to purchase syrup, vaseline, and crisco at a convenience store. They had some syrup on them when stopped by the College Station police.  
Action Taken: The Interfraternity Council, Judicial Board placed the fraternity on one year's probation from the date of the hearing (Nov. 20, 1989), mandated the chapter to incorporate hazing educational seminars into their pledge program, to present a university-wide program on hazing issues and laws, name a new IFC representative who is an A&M student, find a chapter advisor by spring 1990 rush, and have the new chapter president meet with the IFC Advisor twice monthly during the probation period.
