Arms sales to Mideast continue

WASHINGTON (AP) — The Bush administration announced new Persian Gulf arms deals Tuesday and Defense Secretary Dick Cheney said President Bush's plea for Middle East arms control does not mean America will stop supplying the region's weapons.

"We simply cannot fall into the trap of ... (saying) that arms control means we don't provide any arms to the Middle East," Cheney told reporters aboard his plane as he returned to Washington from a 10-day trip to Europe, Israel and Egypt.

A senior Defense Department official, speaking on the condition of anonymity, said the administration had agreed to sell 20 Apache attack helicopters to the United Arab Emirates and as many as six unspecified military helicopters to Bahrain.

Thornburgh plans to run for Congress

WASHINGTON (AP) — President Bush said Tuesday that Attorney General Dick Thornburgh will run for the sylvania but will remain in the Cabinet through the end of July.

Bush made the announcement at a Cabinet meeting where Thornburgh was seated at his side. Other Cabinet members applauded the news.

It is rare, if not unprecedented, for a sitting Cabinet member to run for Congress.

Thornburgh will run to fill the unexpired term of Republican John Heinz, who was killed in a plane crash April 4.

The president said he had asked Thornburgh to remain in the Cabinet and to continue working on key legislation, such as civil rights and a crime bill.

"We are going to miss his wisdom and his support," Bush said.

Thornburgh, a two-term former Pennsylvania governor, was an original member of Bush's Cabinet.

Thornburgh would not stay in office if he became the party's official candidate, said a Thornburgh political associate, who spoke on condition of anonymity.

"If he is a candidate for Senate, he will not be the attorney general," the associate said. "If he becomes a candidate, it will be when his party nominates him."
