Russian students share first thoughts on American life

student. They will stay in dorm rooms or apartments with their hosts, go to classes and experience the local nightlife.

Joseph Thomas, public relations chairman for the Sister Universities Association, says he thinks the guests will find that things in College Station are pretty similar to things in Kazan.

"A typical day to us in our dorms or apartments is similar to a

typical day for them. When I visited the Soviet Union in May, I found to some extent the freedom the students had is similar to ours. They have similar responsibilities, we listen to similar music, and both groups want to make the most of their lives on a daily basis," he says.

The Battalion will conduct a follow-up interview with the visiting students to obtain some of their later impressions of the United States.

'Les Miserables' opens at Fort Worth's Casa Manana Theater

steal the show with their comic relief.

On a technical note, the sound effects, amplification and lighting were unusually well done, far superior to another production of "Les Miserables" I caught in London last year.

The only slight problems I had with the play were Lynch rushing some of the lyrics and some lines being lost in the auditorium during some of the group numbers.

But these slight altercations are overshadowed by Claude-Michel Schonberg's powerful music and lyrics coupled with brilliant, almost flawless performances.

It may be awhile before this musical makes it around again, so it should not be missed. There are still tickets available for all the performances, which includes 2 p.m. matinees on Friday, Saturday and Sunday as well as the regular performances at 8 p.m. tonight through Sunday. The box office number for Casa Manana is (817) 332-6221.

Fox Network announces fall season

UNIVERSAL CITY, Calif. (AP) Fox Broadcasting Co., which usually gloats about its reputation as a brash and irreverent network, displayed a different kind of attitude at this summer's annual gathering of television reporters:

Humility. It's a special kind of humility, a swaggering version evident more in actions than in words.

But, for Fox, it was humility nonetheless. At last summer's gathering, a record number of shows 10 were wheeled out, only to go flat. This time there are only four fresh series slated so far for the fall schedule.

This time, there was talk about being different, about debuting no show before its time, about aggressively advertising its product instead of making more of it.

In short, Fox is talking quality versus quantity. Quality is something Fox could use. For the 1989 season, Fox received 26 Emmy nominations. For the 1990 season, it received 11.
