# Isn't Hiring Employees FOR PARTNERS!

**" Give Back Generously To The Communities  
That Have Made You A Success . . . "**

from Florence Butt's 'Recipe For Success'

Our partners aren't just part of a company, they're part of the community!

The H-E-B company makes contributions to nearly 3,000 organizations across the state, supporting the small communities where we do business.

Last year alone, our corporate contribution program donated 12% of the company's after-tax earnings to recreational programs, health care organizations, education, and the arts.

At the heart of this community involvement is the H-E-B Volunteer Corps, a group of several hundred partners who give freely of their time and talents to fundraisers, walk-a-thons, athletic competitions, and dozens of other benefits.

The H-E-B Adopt-A-School program matches local H-E-B stores with elementary, junior high, and high schools to support individual school goals. By the end of the 1992 school year H-E-B will be offering assistance to 750 neighborhood schools throughout the state.

The H-E-B Food Bank program is the largest corporate program of its kind in the United States. Last year H-E-B contributed 535 truckloads - more than 12.5 million pounds of food - to help feed the hungry in Texas.

Along with our community efforts, a growing sense of environmental awareness benefits our global community, as well - from printing our employee newsletter on recycled paper to encouraging consumers to use our new "E.A.R.T.H." bags, a reusable canvas bag for shopping trips.

At H-E-B Pantry Foods, you won't get lost in the corporate shuffle - you're an important part of our dedication and commitment to improving the world around you, in neighborhoods near and far.

ry Food, opening soon in Bryan and College Station.
