

## A&M football Update

### Key injuries bother Slocum, Aggies

From Staff and Wire Reports

Texas A&M head football coach R.C. Slocum is having a hard time getting work done during practice because of the number of injuries A&M has to key players.

Those players unable to participate in Wednesday's practice included running backs Randy Simmons (knee), Keith McAfee (pulled hamstring), and Rodney Thomas (knee). Fullback Cliff Groce (shoulder), and defensive linemen Kevin Tucker (ankle) and Sam Adams (shoulder), are also injured.

Slocum said he was disap-

pointed with Wednesday's practice.

"It was a hot, muggy day and I thought we gave in a little bit," Slocum said. "We have a lot of work to do to get ready for next week."

A&M begins the 1991 season at Kyle Field Sept. 14 against Louisiana State University.

"The injuries are affecting some of the work," he said. "It's hard to work, we're not able to get as many repetitions."

Redshirt freshman Greg Hill and junior fullback Doug Carter were the only running backs able to practice yesterday.

Practices remain closed to the public until after the LSU game.

## Miami, UH start "trash-talk"

CORAL GABLES, Fla. (AP) — Houston coach John Jenkins accused the Miami Hurricanes of "trash-talking" Wednesday and said his team will have nothing more to say about Miami until after the teams meet next Thursday night.

"Due to the fact that we've seen a lot of hype, a lot of conversation, a lot of derogatory remarks, particularly by Miami players, we've elected not to make any stand as far as commenting, as far as comparisons or just any general comments about the Hurricanes," Jenkins said.

"We're not going to get into a trash-talking contest."

The pledge was surprising because Jenkins himself has a reputation for flamboyant remarks.

His ire surfaced during a conference telephone call.

Jenkins said he was especially upset by comments Miami defensive end Anthony Hamlet made about the 10th-ranked Cougars and quarterback David Klingler.

"They just have one player. We put Klingler out of the game and they've got nothing left," Hamlet said. "They've got some good receivers, but compared to our receivers, they've got nothing. Plus they've got to play in the Orange Bowl. That's our house. We

don't lose there.

"I just hope Houston's ready," Hamlet made the remarks following third-ranked Miami's 31-3 victory Saturday at Arkansas. He later said the comments were taken out of context.

Also catching Jenkins' eye were remarks by Miami running back Martin Patton about the Cougars.

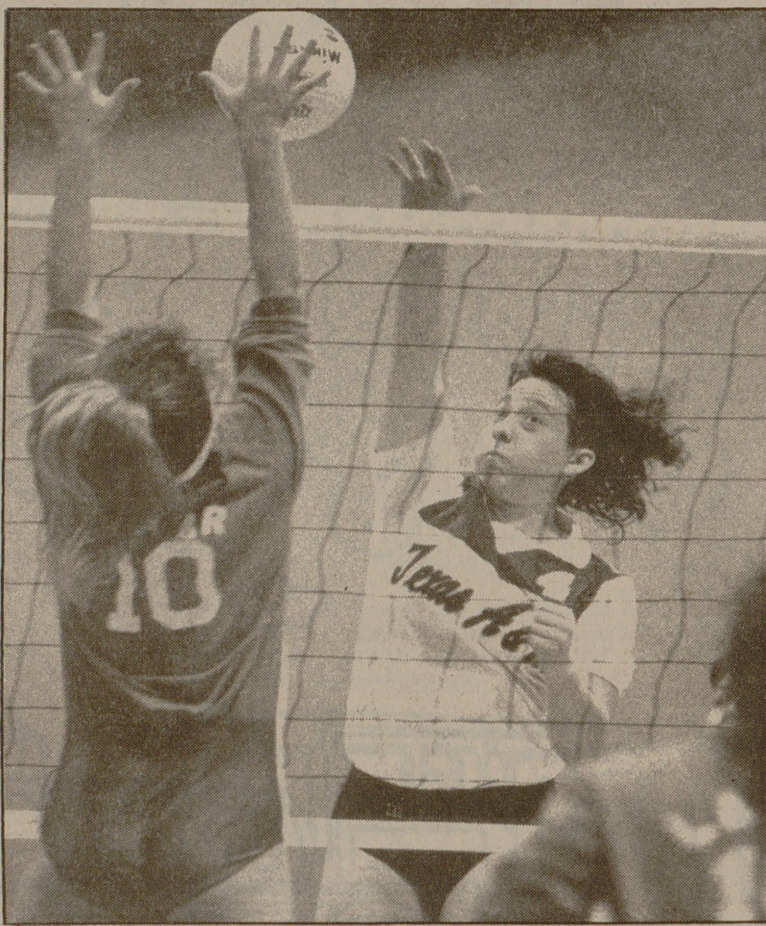

"I think we are the better team," Patton said. "In fact I know we are. Bring them on."

Jenkins bristled when he read the quotes in Houston newspapers.

"The way I see it is, this is not a World Wrestling Federation match, OK?" Jenkins said. "This is going to be for real on national TV. We're going to play the game. We're not going to talk it up prior to the contest."

Miami coach Dennis Erickson, who is waging a campaign to erase the Hurricanes' reputation for taunting and showboating, responded to Jenkins' comments with a shrug.

"I don't know what he's talking about," Erickson said. "I don't know whether our players said anything derogatory or not. I didn't hear them say anything derogatory. The bottom line is we play the game Thursday."

ence and mature."

In the third game, A&M scored eight consecutive points from the serves of McMath and sophomore Bella Parikh. McMath and junior Raychelle Michalke tied for most team kills with seven.

Sophomore Amy Kisling converted 50 percent of her kills but more importantly was a force at the net for the Aggies.

Junior outside attacker Elizabeth Edmiston sat out Wednesday's match to rest the sore shoulder she injured in last weekend's tournament.

Edmiston will also sit out the Lady Aggies' match Thursday against University of North Texas.

"We're not looking past North Texas at all," Givens said. "I don't think we're that good a ball club that we can look past anyone."

"We're going to savor this today because we're even now, and that's not where we want to be," Givens said. "We want to get over .500 and that opportunity comes tomorrow."

Thursday's match will start at 7 p.m. at G. Rollie White Coliseum.

## Cougars tout Southwest Conference players of the week

HOUSTON (AP) — David Klingler is constantly being asked to divulge the secrets of 10th ranked Houston's run-and-shoot offense and he has a simple reply.

There are no secrets; it's good players, just like any other offense.

"The personnel we have in this offense is really great," Klingler said. "It's taken us four or five years to get the personnel required to be dangerous at all positions."

Klingler was armed and dangerous in the season opener Saturday, flinging nine touchdown passes, including an NCAA record six in one quarter, as the Cougars riddled Louisiana Tech 73-3.

Klingler completed 36 of 57 passes for 510 yards to earn The Associated Press pick as the SWC offensive player of the week.

The SWC defensive honor went to Cougar linebacker Tyrone

Davis, making a comeback from an injury that caused him to miss the final six games of last season.

Davis had six tackles, including three for 23 yards in losses, recovered a fumble and had two sacks in helping the defense hold Louisiana Tech to 130 total yards.

Houston's run-and-shoot offense is more effective this season because the Cougars are stockpiling receivers, Klingler said.

"We've always had guys like

Jason Phillips and James Dixon playing in the slot but now we've got wideouts catching three touchdowns per game," Klingler said. "It's really balanced and that's the key to any offense."

"The way we play is going to produce those type scores, either in our favor or against us," Klingler said. "Last year, Texas beat us pretty bad."

That's just the way it goes with this offense.
