How Not To Spend Your Own Money In College.

Get Food For Free

Flirt with a cafeteria worker. Compliment her on the stylish way she wears her hair net. Offer to help her scrape trays after dinner. Ask for seconds and thirds, unless, of course, they're serving mystery meat.

Do Laundry For Free

Why waste all that time and money washing yourself and your clothes separately? Just jump in the shower fully dressed. Laundry tip: dandruff shampoo works wonders on those tough, ground-in clothing stains.

Get Long Distance For Free

Always call collect. But, just in case someone won't accept the charges, sign-up for Sprint SelectSM or Sprint PLUSSM and get 100 minutes of long distance free.* Either way you'll still save.
