Finally, going to college can save you some money.

Bet you never thought you'd hear that. But just by being a student, you can get special prices on IBM PS/2's—computers that will help you through school, and long after you get out. IBM offers a variety of PS/2 Selected Academic Solution* models to choose from. And with an IBM PS/2 Loan for Learning,

you can own one for as little as \$30 a month** and take up to five years to pay. Buy now and you'll get a special Bonus Pack† worth over \$1,000 in savings on air travel, phone calls, software and more. So while the price of college keeps going up, at least the price of succeeding is on its way down. Visit your campus outlet to find out how to make a PS/2 click for you.

Come out to see the IBM Collegiate Tour on campus September 11th and 12th at the Academic Building.
