Volume II 1991

## campus PS/2 circuit

You'll never find a more compatible roommate than an IBM Personal System Selected Academic Solution. It's friendly, helpful, quiet, neat and not above having a little fun. (Yet it won't blast the stereo or borrow your class notes.) What's more, it was specifically designed with the needs of college students in mind. Its mouse and Windows make it incredibly easy to learn and use — not only in college, but after graduation. Best of all, it's an IBM — which means quality, reliability and service.

also come with Microsoft Word for Windows™ for word processing, Microsoft Excel™ for spreadsheets, Reference Software Grammatik™ for checking your grammar, games for putting off your homework, and more. Or if you'd prefer, you can add your own software to meet your particular needs.

One year's worth of maintenance on any '90, '91 or '92 Mazda car or truck purchase. \$75 worth of Sprint™ long distance phone service. And much more.

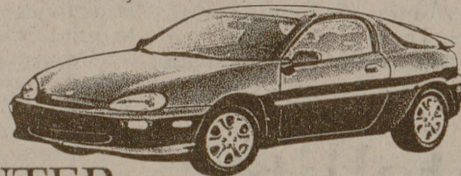

### Students trade in '80's values.

You don't have to own a car to take advantage of impressive trade-in values. Buy a new IBM PS/2 Selected Academic Solution and you qualify for a trade-in allowance on selected models of IBM, Apple® and Compaq® Computers. Visit your campus outlet or IBM Authorized Personal Computer Dealer for details. Act now, this program ends December 31, 1991.

Note: This trade-in offer applies only to selected IBM products purchased directly from campus outlets or IBM Authorized Personal Computer Dealers.

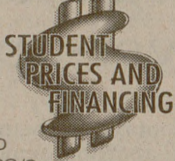

### You could go a long way in this world.

As part of the IBM PS/2 Sweepstakes, we're offering two lucky Grand Prize winners a brand new 1992 Mazda MX-3 GS. 25 First Place winners will receive a round-trip ticket on American Airlines. 20 Second Place winners will receive gift certificates good for up to \$300 worth of long distance phone calls on Sprint. To enter, visit your local campus outlet or write IBM PS/2 Sweepstakes, 3 Industrial Ave., Mahwah, NJ 07430. There's no purchase necessary.

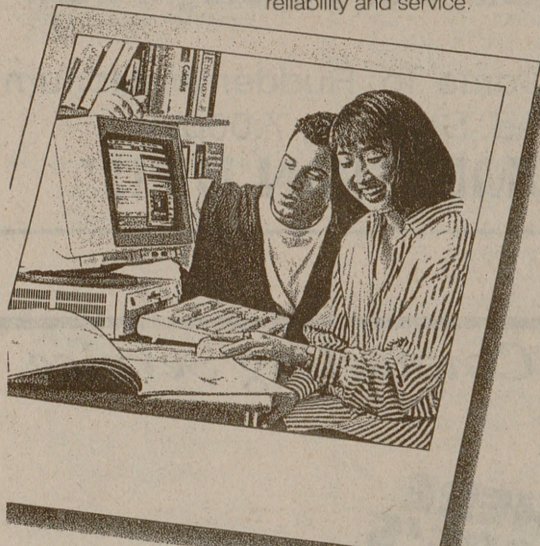

### College costs soar. But not PS/2 prices.

You may be surprised at just how affordable a PS/2 is. Especially with the special low prices we're now offering students, faculty and staff. What's more, you don't have to pay for it all at once. The IBM PS/2 Loan for Learning™ lets you borrow anywhere from \$1,500 to \$8,000 — with flexible terms and low interest rates. Payments start as low as \$30\* a month — about the price of a daily cup of coffee.
