**Lady Aggies
glad to be
back home**

From Staff and Wire Reports

After a rough trip to California last weekend, the Lady Aggie volleyball team will play Stephen F. Austin.

A&M (4-6) faces the Ladyjacks (4-4) Wednesday at 7 p.m. in G. Rollie White Coliseum.

The Aggies are trying to recover from the J.M.N. Premiere Tournament in Fullerton, Ca. where they won one game out of five in the three-day tournament.

A&M head volleyball coach Al Givens said the Aggies are glad to be playing on their homecourt again.

"I was disappointed with the way we played in California," Givens said. "We are glad to have the opportunity to come home and play in front of our boisterous and active fans."

The Ladyjacks are rebounding from a loss at the hands of New Orleans Saturday.

"We are looking forward to playing in front of a large crowd in a competitive match," Givens said. "We have had two good days of practice and we will be ready."

The first 500 fans to arrive will receive a 1991 Texas A&M volleyball poster.

Wednesday is also Resident's Hall Night and the dorm with the greatest amount of representation will receive a free pizza party.

Biggins

whelmed by the more than 66,000 fans. "I tried to not even look at the crowd," he said. "But when I did, I got nervous."

Slocum never doubted Biggins' ability on Saturday.

"He was a little jittery out there playing in his first game as a true freshman in front of a national television crowd," Slocum said.

Biggins said the college game is a lot different from the high school game.

"It's a lot faster game," Biggins said. "It's more intense out there than it is in high school."

Biggins came to A&M from Houston's Aldine MacArthur where he was the state's top scorer in Class 5A. At Aldine, Biggins was recruited as both a running back and defensive back. He chose A&M over schools like Pittsburgh, Oklahoma and Nebraska.

At A&M, the freshman knows he won't be playing any defense.

"I miss it a little bit, but I just want to help the team wherever they need me."

Biggins didn't anticipate the role the freshmen would play in Saturday's 45-7 pounding of LSU.

"I didn't know we would play like that," he said. "Everyone just pulled together and it just happened."

"I was practicing and hoping to play," he said. "But if I didn't, it would be all right."

Part of the reason for his playing time was the move from running back to return man.

"When I came in at tailback, I didn't think I would get to play," he said. "Then they changed my spot and I thought I would have a chance to play."

Biggins hopes he won't drop the ball in his opportunity to help the Aggies.

Southwest Conference Update

Texas, Auburn set to clash in Austin
Longhorns ready to avenge loss to Mississippi St.

AUSTIN (AP) — Coach David McWilliams of Texas said Monday Longhorn fans shouldn't expect wholesale changes in the football team, despite a disappointing 13-6 opening game loss to Mississippi State.

Texas, which fell from No. 13 out of the Top 25 in the college rankings, will try to rebound against Auburn, another Southeastern Conference team.

The Saturday game, on ESPN national television, will be Texas' home opener. Kickoff is at 6:32 p.m., CST, and a sellout crowd exceeding 77,809 is expected.

Auburn was ranked No. 15 before defeating Mississippi last Saturday to raise its record to 2-0.

"I think you have to write the whole thing off," McWilliams said of the Mississippi State loss. "You have to

come off of it and show that you're a better football team. That's just pride, and I think that's exactly what this team will do."

McWilliams was asked at his weekly news conference if it would be important to make "wholesale changes."

"That's my philosophy," McWilliams said. "As a general rule, most coaches aren't going to completely change everything in the world because of one game. ... We made a few changes but not wholesale."

Willie Mack Garza will replace Van Malone at safety, with Malone moving to second-team cornerback.

Injuries continued to cut into Texas' depth even though the Longhorns did not play last Saturday.

Robert Reed, a special teams player and backup linebacker, broke his left foot in practice

Wednesday and will miss the remainder of the season.

Wide receiver Brian Howard sprained an ankle and running back Rodrick Walker hurt his knee.

McWilliams said wide receiver Mike Davis, the team's fastest player, and linebacker Winfred Tubbs remained sidelined with injuries, and wide receiver Justin McLemore has a sore back.

All four of the defensive front were rested with injuries but are expected to practice this week, McWilliams said.

He described Auburn as a "real physical football team that is a lot faster, especially a receiver," than Mississippi State.

Texas is eager to play, to show "we're a better team than what we played against Mississippi state. I think that will help us for this week," McWilliams said.

Bears look to keep things rolling
Victory over defending national champions is only the beginning

WACO, Texas (AP) — Baylor coach Grant Teaff stopped short of saying that he saved the Southwest Conference's national reputation Saturday. It was on his mind, though.

The Bears' 16-14 victory over defending national champion Colorado did a lot to erase a dismal showing by Southwest Conference teams in showcase games. But Teaff said Monday afternoon that last weekend's contest won't mean much if things don't fall into place for the Bears.

"There was a lot of pressure, a lot of heat on the Bears," Teaff said. "It was on our minds. But it wasn't the driving force behind what we were trying to do, we do have other goals."

"It was a plus for the conference and we're glad it worked out like that."

The victory pushed Baylor to a No. 14 spot in The Associated Press football rankings, up from 23, and its highest ranking since 1986 when the Bears were 12th.

Baylor faces another Big

Eight foe, Missouri, this weekend. The Tigers beat Illinois 23-19 Saturday.

"We're not exactly the little sisters of the poor and haven't been for the past 20 years," Teaff said.

"This is not the end of the season for us. It means absolutely nothing if we don't build on it and turn it into something."

The Bears snuffed out the nation's longest winning streak at 11. The last time a Baylor team beat a ranked team was in 1986 with a victory over 10th-ranked Arkansas.

"I was exactly the kind of game that I thought it would be," Teaff said. "I hope my credibility doesn't hinge on being right about one game."

Teaff considers the victory his biggest road win since han-

dling Southern Cal in 1985.

"I'm just now coming down off of this win," said Santana Dotson, whose last-minute block of a field goal help set Baylor's winning score. "That made us feel tremendous."

"I looked up and I was so deep in the backfield that I could have waited on the kicker."

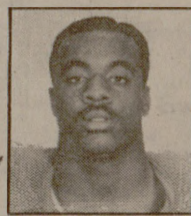

The 6-foot-5, 264-pound tackle suffered a sprained ankle, but is probable for the Missouri game.

The Bears have now won eight of its last 11 games and are 2-0 for the first time since 1988.

For Missouri coach Bob Stull, the Baylor victory was no surprise.

"I kind of predicted that," he said Monday. "I knew how strong Baylor's defense was, I thought there was a chance Baylor would win. It may have surprised a lot of people around the country, but not me."

Missouri holds a 3-1 edge in the series. The Tiger won the last time the two played in 1987.

made with the rest of the season being easy street.

The Aggies definitely cannot take the next two games for granted.

Just take a look at the NCAA recent upsets, Memphis State over USC, Mississippi State over Texas, Central Michigan taking Michigan State and of course the big surprise, Baylor knocking off Colorado, the defending national champions.

Jumping up to No. 15 in the national rankings is very exciting. The Aggies need not be clouded in their success and overlook Tulsa when they visit the Golden Hurricane this Saturday.

This is the fifth time Texas A&M and Tulsa have come head to head, the last meeting between the two teams was in 1985. A&M has only lost to Tulsa one time,

but this is the first time for the Aggies to play the Golden Hurricane on their home field in Skelly Stadium.

The 2-1 Tulsa team lopped by a mere six points against Kansas last weekend and the Aggie's need not underestimate the Hurricane's offensive line. Specific attention should be focused on the duo of quarterback T. J. Rubley and Associated Press All-America receiver Dan Bitson.

Rubley, the record-setting senior, was rated as the seventh-best quarterback in the nation by The Sporting News and the ninth best by Football News entering the 1990 season. He passed for 212 yards against Kansas for his 19th 200-yard or better passing game.

Hopefully our nationally famous defensive squad will stop

him much shorter.

This could be the week Kevin Smith grabs his SWC record 19th interception, even though it would be much more exciting to see the accomplishment at Kyle Field.

Looking ahead, our biggest challenges will be the first two games in SWC, especially since we are playing Texas Tech and Baylor on their home turfs.

Baylor is definitely looking to be A&M's decisive game in the conference. Probably by October 19th the Bears will be the team overflowing in confidence, and of course, we will give them a run for their money.

We will need all the Aggie support we can muster to keep the momentum up and then the road will be downhill from there - straight to Cotton.
