Who Is This Man?

- A. Rode across Asia on a tricycle.
- B. First magician to successfully saw a woman in half.
- C. Winner of 1886 Ulysses S. Grant look-alike contest.

If you answered "D," move to the head of the class! If you're about to graduate with a technical degree in Computer Science, Electrical Engineering, Telecommunications or a related field, you owe it to yourself to explore a career with Ericsson.
