UTEP stuns top-seeded Kansas

Cincinnati, UMass, New Mexico St. surprise NCAA tournament

DAYTON, Ohio (AP) — The last time Texas-El Paso won a game this big, the school was called Texas Western.

The Miners, junking the offense that got them into the tournament, shocked No. 2 Kansas 66-60 Sunday and knocked the Midwest Region's top seed out of the NCAA tournament.

UTEP (27-6) used a spread, trying to slow down the game and befuddle Kansas coach Roy Williams. The Miners hadn't even practiced much in the delay.

"The first time all year was yesterday," UTEP coach Don Haskins said. "(Williams) couldn't have seen it before unless he got a tape of yesterday's practice."

Haskins has 606th victories in 31 years at Texas-El Paso, the biggest a 72-65 win over Kentucky in the 1966 championship game, the first NCAA title for an all-black starting five. The school changed its name from Texas Western in 1967, and since then had appeared in 10 NCAA tournaments, never going beyond second round.

"Coach Haskins has been around the block a few times," Williams said.

Haskins decided on the spread after watching Kansas rout Howard 100-67 Friday.

"I think all good teams come from a good coach," UTEP senior said Prince Stewart. "He has confidence in us to let us go out and play."

The Miners realized it might be their best chance to beat s, an 111/2-point favorite.

"We thought it was a great plan," Stewart said. "We started working on it in practice yesterday. We figured holding onto the ball longer would make getting some penetration that much easier. We said, 'Let's get the open shot and let the big guys get into the game.'"

UTEP's defense frustrated Kansas, and the offense ran a Princeton-like weave, using almost the entire 45-second clock before shooting.

Sunday's victory ranked right up there with the magic of '66.

"This is one of the best, Kansas being ranked as high as they were," Haskins said. "We're in the NCAA tournament now. There's

a big apple out there and everybody wants it ... They're not a team that you can beat every day. I thought Kansas might be the only team to beat Duke. But we'll never know."

UTEP will play Cincinnati on Friday in the regional semifinals at Kansas City, Mo. Fourth-seeded Cincinnati advanced with a 77-65 victory over Michigan State.

In the Southeast, second-seeded Oklahoma State beat Tulane 87-71 and sixth-seeded Michigan downed East Tennessee State 102-84 to reach the final 16. The winners will meet Friday at Lexington, Ky., where Oklahoma State's Eddie Sutton used to coach Kentucky.

Second-seeded Kentucky will play Massachusetts in an East Regional semifinal Thursday at Philadelphia. Kentucky defeated Iowa State 106-98 and third-seeded Massachusetts beat Syracuse 77-71.

Top-seeded UCLA beat Louisville 85-64 and New Mexico State eliminated Southwestern Louisiana 81-73 in the West. They will play Thursday at Albuquerque, N.M.

Fumble leads Riders past Montreal 17-16

SAN MARCOS, Texas (AP) — Chris Thieneman forced a fumble by sacking Montreal quarterback Anthony Dilweg late in the fourth quarter Sunday, helping San Antonio beat the Machine 17-16 in a WIAF game.

Dilweg, assigned to Montreal by the Los Angeles Raiders, had led the Machine from its own 10 to San Antonio's 24 with 4:04 remaining before the fumble. Mark Ledbetter recovered the ball and the Riders ran out the clock in both teams' season opener.

Ivory Lee Brown, a first-year player from Arkansas-Pine Bluff,

carried 24 times for 123 yards, including a 15-yard touchdown, to lead San Antonio.

Former Detroit Lions and Kansas City Chiefs receiver Pete Mandley put Montreal ahead 6-0 in the first quarter with a 73-yard punt return.

After Brown's score gave the Riders a 7-6 lead midway through the period, Dilweg hit Mandley with a 14-yard touchdown pass that put the Machine back in front, 13-6, with 10:01 to go before halftime.

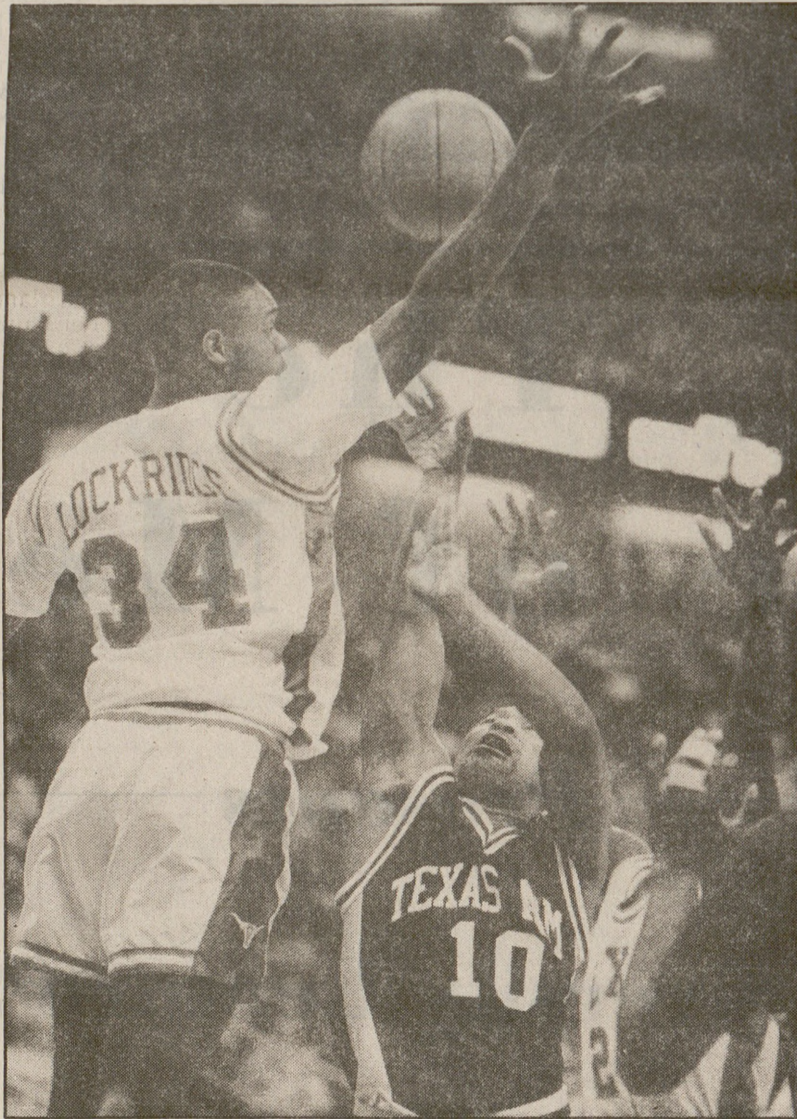

Former Baylor quarterback Brad Goebel, assigned to the Riders

by the Philadelphia Eagles, led San Antonio on an 11-play, 61-yard drive that culminated in his 1-yard touchdown run to make it 14-13 at halftime.

The only second-half scores were a 38-yard field goal by San Antonio's Jim Gallery and a 29-yard kick by Montreal's Bjorn Nittmo.

The Riders, who moved 45 miles north to San Marcos this year because of poor attendance, drew just under 10,700 to Southwest Texas State's Bobcat Stadium. Capacity at the facility is 22,000.

Barone, A&M team positive in loss to UT

pointers to give him 12 first half points and his team a 42-34 half-time lead.

"Our kids came in believing that we could win," Barone said. "You have to take the positive approach and ignore the negatives. The negative thing about it was that Texas beat us twice (before) this year. They beat us at home and massacred us in Austin."

"But this was a new day, a new game, a new season. The kids were mentally prepared."

Unfortunately for Barone, the Aggies were not physically prepared in the second half. The Longhorns regained the fast-paced tempo that they lacked before halftime.

Texas scored twelve consecutive points midway through the second half, five of which came from leading scorer Terrence Rencher. The freshman picked up 17 points after intermission and 24 for the game.

After that run, the Longhorns never looked back. The Aggies ran out of steam and could not come closer than eight points.

Texas head coach Tom Penders had said after the two teams met five days earlier that A&M would be prepared for the rematch. Therefore, the Aggie onslaught didn't surprise him.

"I knew Tony, being the fox that he is, was going to have new things for us defensively," Penders said. "Give Texas A&M a lot of the credit. Also give Tony Barone a lot of the credit."

The youthful Aggies had a hard time keeping up with the experience and the stamina of Texas, which Barone said made the difference.

TCU shoots for NIT win vs. Purdue

FORT WORTH, Texas (AP) — It's not the NCAA, but NIT victories count just the same for Texas Christian coach Moe Iba.

Iba's Horned Frogs face Purdue (17-14) Monday night in West Lafayette, Ind., hoping to tie the school record for victories in a season with 24.

The Horned Frogs (23-10) beat Long Beach State 73-61 in the first round of the NIT Thursday night in their first post-season appearance in five years.

For Iba, the victory was a milestone. He had never won more than 22 games in a year. His 1983-84 Nebraska squad, which also made the NIT, went 22-10.

Only two teams in the 78-year history of TCU's basketball program have won more games than this year's squad, which was defeated in December when four reserves quit and Iba had to suit up equipment manager Brandon Aldrich.

Buster Brannon's 1952 Horned Frogs went 24-4, losing to Kansas in the NCAA tournament. Bill Killingsworth led his final TCU team in 1987 to a 24-7 mark and second-round NCAA appearance.

Iba had hoped 22 regular-season victories, including 12 on the road, would get TCU into the NCAA tournament. But those hopes were dashed when the Frogs blew two double-digit leads in an 87-84 double-overtime loss to Houston in the Southwest Conference semifinals last week.

Houston beat Texas for the league crown and both went to the NCAA tourney, where they each lost in the first round. TCU was left with the NIT.

"Hey, the NIT is the next-best thing," Iba said. "It beats staying home again. We're glad to still be playing ball. There's a lot of teams who aren't."

The Frogs failed to make even the NIT the past three seasons despite records of 16-13, 17-13 and 18-10.

TCU is led by 6-11 senior center Reggie Smith, whose 24-point 11-rebound performance against Long Beach State gave him 20 double-doubles this year. He averages 17.8 points and 11.3 boards.

Michael Strickland adds 13.1 points, followed by fellow senior guard Mark Moton (10.4) and senior forward Albert Thomas (10).
