DARWIN ON TRIAL

Guest Speaker
Phillip E. Johnson

Phillip Johnson is a graduate of Harvard and the University of Chicago. He was a law clerk for Chief Justice Earl Warren of the United States Supreme Court, and has taught law for over twenty years at the University of California at Berkeley. He took up the study of Darwinism because he saw that the books defending the theory were dogmatic and unconvincing. He wrote the book *Darwin On Trial* to give Americans the information they need to make up their own minds.
