## Military expert unsure about Perot's chances

Continued from Page 1  
Blair said it is hard to figure out a man like Perot.  
"I'm not sure a man of Perot's type, a self-made businessman, will have the temperament of a compromiser," he said. "But it's refreshing to have someone with his ideas."  
Perot will make a final decision on his running mate this summer. Blair said Stockdale would be the best selection if Perot decides to run for president.  
"He's a real philosopher and you know exactly where you stand with him," he said. "If I had to pick a running man, I'd pick him (Stockdale)."
