### SKIN INFECTION STUDY

VIP Research is seeking individuals 12 years of age or older with uncomplicated skin and skin structure infections. If you have a skin infection, you may qualify for a four week research study using a currently available antibiotic medication. Participants who qualify and complete the study will be paid \$200.

### GENITAL HERPES STUDY

Individuals with genital herpes infection are being recruited for a 3 week research study of an investigational anti-viral medication. If you would like to find out more about this study, call VIP Research. \$400 will be paid to qualified volunteers who enroll and complete this study.

## Brawl sends boxer to jail

THE ASSOCIATED PRESS

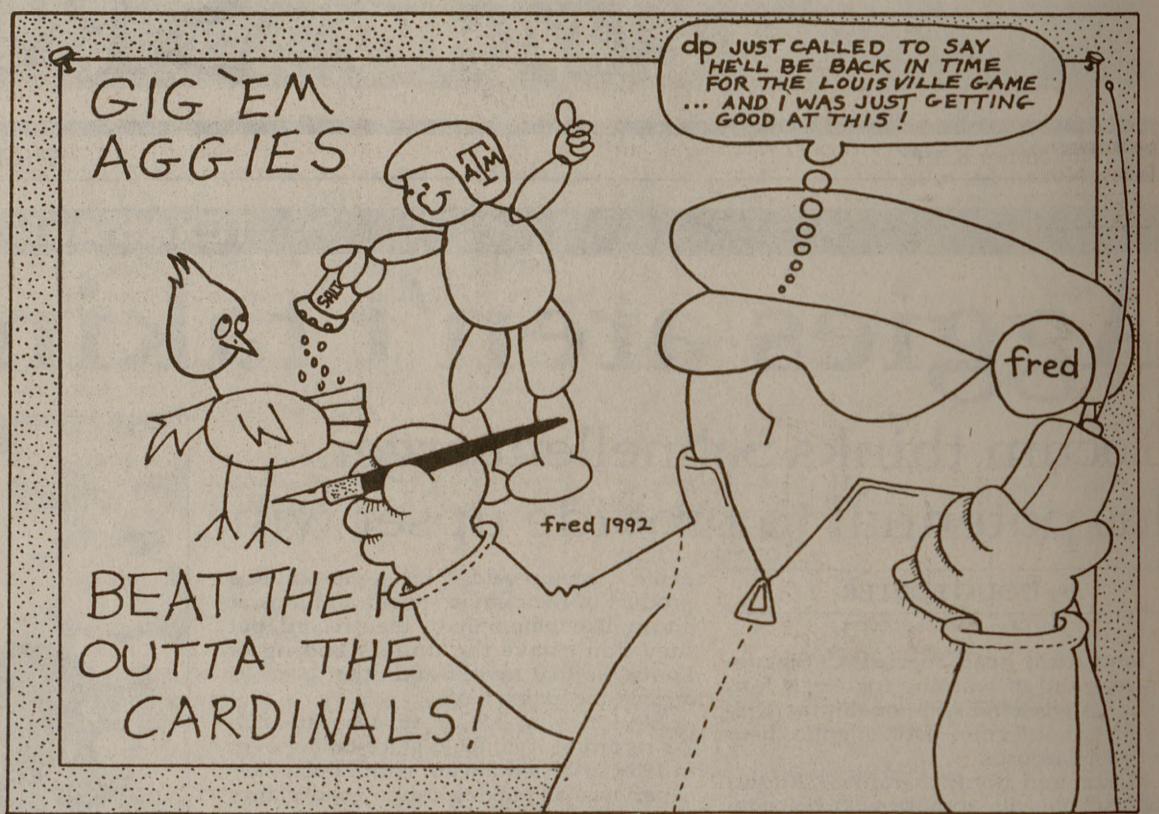

MIAMI — Yelling "I'm the Macho Man!" in a hotel lobby, three-time world champion boxer Hector Camacho was arrested early Thursday for allegedly fighting with two police officers who tried to quiet him.

The former WBC super featherweight and lightweight champion appeared intoxicated and was carrying a small bag of what appeared to be marijuana, police said.

The incident occurred at the Miami International Airport Hilton Hotel. When police approached Camacho, he ran out of the lobby into a parking area.

"If you want what's in my hand, you're going to have to catch me," police quoted Camacho as telling the officers.

Wearing a T-shirt bearing his nickname, "Macho," Camacho allegedly fought with the officers as they subdued him. Later he kicked one of the officers while being booked into the Dade County Jail, according to police.

## 19th-ranked Aggies face SWC foes in Austin this weekend

# A&M golf team cracks national top 20 poll

FROM STAFF AND WIRE REPORTS

The Texas A&M men's golf team has finished in the top three in the first three tournaments in which they have participated in this fall, moving them into the Golfweek/Taylor Made National Collegiate Rankings for the first time this season.

The Aggies, tied for 19th in the poll, finished first at the Woodlands Intercollegiate Tournament, then finished third at the Wolf Pack Classic in Lake Tahoe, Nevada, and placed second at the Stanford Intercollegiate in California.

A&M golf coach Bob Ellis said that he is glad to be recognized as having a team worthy of being ranked.

"It is always good to receive top 20 recognition," Ellis said. "It shows how well we have played so far this fall."

The Aggies next competition comes this weekend at the Morris Williams Golf Course in Austin, in the Harvey Penick Intercollegiate Tournament.

The tournament format calls for 54 holes to be played, with 36 holes to be played on Friday and the final 18 to come on Saturday.

Of the 12 teams participating in the tournament, four are ranked, and all of them are from the Southwest Conference.

Every SWC team will play in the Austin match this weekend, including the second-ranked University of Texas, Southern Methodist University, which is

tied for 11th and Texas Christian University, which is tied for 14th.

The University of Southwestern Louisiana, University of North Texas, Lamar University and Stephen F. Austin University round out the field, which is expected to encounter cold and wet playing conditions this weekend.

"I think the team that is most prepared for the conditions will win the golf tournament," Ellis said.

Texas is led by current U.S. Amateur champion and two-time defending SWC individual champion, Justin Leonard.

The Aggies will take Brent Brown, Anthony Rodriguez, Marco Gortana, Ryan Dreyer, Morgan Brown and Dru Fenimore Austin this weekend.

Rodriguez has had a consistent season thus far, finishing in a tie for seventh at the Woodlands, a tie for second at the Wolfpack Classic and a tie for 14th place at Stanford.

Brown was A&M's top finisher at the Stanford Intercollegiate, tying for third.

Gortana will be playing in only his second event of the season after representing Italy at the 1992 World Amateur Cup. Gortana finished in a tie for 17th at Stanford.

"This is a big tournament because we are facing all of the SWC schools, and we are playing at Texas," Ellis said.

Ellis hopes that a good showing at this weekend's event will poise his team for a good spring season.

## Teaff gets reprimand from SWC for officiating gripes

THE ASSOCIATED PRESS

DALLAS — The Southwest Conference issued a public reprimand Thursday to Baylor football coach Grant Teaff for comments he made publicly regarding officiating during the Bears' contest against Texas A&M.

Teaff

The fifth-ranked Aggies beat Baylor 19-13 in the Oct. 24 contest in College Station to move to 7-0 overall and 3-0 in the SWC. Baylor dropped to 4-4

and 3-2. The conference's Sportsmanlike Conduct Rule — SWC bylaws 21.01 and 21.02 — preclude coaches from making public comment on officiating.

The coach did not immediately return a telephone call Thursday from The Associated Press. A Baylor spokeswoman said he and team members were at a practice.

SWC Commissioner Fred Jacoby said Teaff was proper in his criticism but used the wrong forum initially for airing it.

"He was very cooperative and very nice about it. He has always been supportive of our officiating program and still is," Jacoby said.

"We thought his concerns were valid. We are taking steps to correct it. But we do have the policy

of no public comments. As a conference, it takes away from performance of the players on the field when attention is focused on the officiating."

Jacoby said the coach should have first leveled his criticism at the SWC supervisor of officials.

Teaff had questioned calls on at least three plays, one on which Baylor felt it had scored on a run by fullback Robert Strait in the first quarter. Strait made a second-effort surge and appeared to cross the goal line, however, an official had already blown a whistle rendering the play dead at the Aggie 6-inch line.

Teaff would say later: "We felt we scored down there. The ABC (TV) folks said he was in. My coaches in the booth who saw the

replay said he was in. He appeared to make it easily on his second effort. I don't know if the whistle had blown or not. ... That was real important to us."

Teaff also complained that the timekeeper failed to stop the clock after a Baylor incompleteness with two seconds remaining in the first half, denying the Bears a 37-yard field goal opportunity.

He also questioned an intentional grounding call on Baylor quarterback J.J. Joe with five minutes that cost the Bears 24 yards and set up a safety.

Those plays, left Teaff "feeling very uncomfortable with the judgment calls that were so ludicrous, it seems there's no way they could be called," Teaff was quoted as saying.

## Seven by years and 73 losses later, Davis High breaks record

THE ASSOCIATED PRESS

HOUSTON — Houston Davis High School wrote itself into the national record books Thursday night with a 41-0 loss to Houston Worthing for its 73rd consecutive defeat.

Worthing took command with three first-quarter scores against the Panthers, who finished the season 0-10 and broke the record of 72 straight losses set between 1965 and 1974 by Iberia, Mo.

Davis Coach Chuck Arnold

called an on-sides kick to begin the game, but Worthing covered the ball and marched to its first touchdown with only three minutes elapsed in the game.

After Davis fell behind 26-0 early in the third quarter, tempers flared on the next kickoff and both teams flooded the field for a fight that delayed the game 10 minutes.

During its dismal streak, Davis has been outscored 2,916 to 354 points.

Davis' losing streak started after it beat Houston Austin 7-0 on Oct. 11, 1985. After that victory,

the Panthers didn't score a point in losing their last five games of the season.

The streak continued through last week when Houston Kashmere shut out the Panthers 40-0 for their 72nd straight loss, tying the national record set by Iberia, Mo.

Davis has been shut out 37 times during the streak and their largest margin of defeat was 77-0 to Houston Yates in 1988 and they came closest to victory in a 22-18 loss to Houston Milby and 19-15 loss to Houston Austin in 1989.

Houston Scarborough has seven victories during the streak, the most of any Davis conquerors.

Shifts of the urban population to the suburbs in the early 1970s started the Davis decline. The Panthers' last winning season was a 7-2-1 record in 1975.

Coach Marvin Pettway left the school in 1988 with a 7-63 record that included the first 34 games of the losing streak. Coach Don Hennigan led the Panthers over the next two seasons to 20 more losses, including their 54th loss for the state record.

**Study Abroad in Germany**  
As a Reciprocal Exchange Student in Tuebingen

One year Exchanges for '93-'94 (Junior Year Abroad)

Any & All Majors are Eligible for this Program.

Attend this Informational Meeting and speak to past and present Reciprocal Exchange participants, and pick up an application for the program:

**Tuesday, November 10**  
2:30 - 3:45 in 251 West Bizzell Hall

Or visit the Study Abroad Programs Office,
