## Winder

Continued from Page 5

Take those back and bring me a size 12."

(This time, he was back in five minutes with all three models of the Air Jordan.)

Me: "Guy, I am really sorry, and you are probably going to hate me for this, but I just noticed that I don't like the way those Jordans are shaped in the back. I promise I'll buy something from you."

(He slowly moped back to the storeroom and brought back the boxes.)

Me: "Alright, give me the 11-1/2 in the Nike."

Clerk: "Sir, I don't have an 11-1/2 in the Nike, I only have a 12."

Me: "Are you sure? I could have sworn a while ago you said that you had a 12 in this Nike. Why don't you go double-check, because I know I saw it."

(Ten minutes later...)

Clerk: "Sir, I searched the whole stock room and I couldn't find one."

Me: "I'm sorry, that's really my fault. I remember seeing the Reebok box. Anyway, go see if you have a Shaquille in my size."

(Five minutes later, he's back.)

Me: "I'm really sorry, man, I should have looked at the price before I sent you back there. I feel so bad. I just don't see anything that really catches my eye and is in my price range."

Clerk: "Are you sure, sir? We do have a lot to choose from. Have you looked at our sale shoes?"

Me: "Oooooooh! That's nice! Wow! I can't believe your selling that shoe so cheap. Oooooooh! Now that is a bargain. I've been looking for this shoe for so long. But I guess nothing today, except I do need a pair of white shoe laces."

(He rings up the 1.99 laces and asks if that will be cash or charge.)

Me: "It'll be cash, but do you think I can get a discount?"

## Johnson

Continued from Page 5

"It loosens everybody up, and Jeff can go out there and he doesn't have to be quite as careful." Johnson said. "I felt good until they got the home run. It was 2-1, and anything can happen when you have a one-run lead."

Johnson

"They're leading the league in batting average, and there's no way you can feel comfortable."

Granger said that there were a

lot of expectations for him in that game, his first since tossing a Southwest Conference single game record 21 strikeouts against Lubbock Christian on April 2.

"I had those 21 K's and everyone was expecting me to come out and strike a lot of people out," Granger said.

"Eleven is a lot of strikeouts, but Texas Tech came out and hit the ball really well today."

Granger, who improved his record to 9-1, said he was proud to notch the 400th win for Johnson after a week's wait following a rainout against Lubbock Christian and a loss to the University of Texas at Arlington.

"I'm glad I was a part of it. I didn't guarantee a win, but I said I'd give it my best stuff for the team and Coach Johnson," Granger said.

## Catching air

KYLE BURNETT/The Battalion

Jimmy Simmonds, a Texas A&M long jumper, gives it all he's worth during the A&M Invitational Saturday. Simmonds competed in the second flight of the day for the Aggies.

The deadline for the POSTER COMPETITION sponsored by the Energy Office has been extended to April 20th

All submissions (18"x24" in size) should be received by 5:00 at the Energy Office in the Physical Plant

Your poster should contain an educational or motivational message regarding resource or energy conservation at Texas A&M

In addition to receiving an award, the winning entry will be used all over campus to promote good conservation habits

Please help us spread the word on the benefits of developing resource conservation habits

For more info. call the ENERGY OFFICE 862-4470
