WORK SMARTER. NOT HARDER.

Management or marketing major? Smart. Finance or accounting student? Also smart.

To be even smarter, you need a BA II PLUS™ now, before assignments pile up.

It's designed especially for business professionals. The kind you're going to be.

Naturally, the BA II PLUS has basic business functions like time-value-of-money. Plus, it delivers much more. Cash flow analysis for internal rate of return (IRR). Net present value (NPV). Bond calculations. Depreciation. Advanced statistics.

Also have a look at the BA-35. It's our most affordable model for time-value-of-money, and even handles one-variable statistics.

Try the BA II PLUS and BA-35 at your local TI retailer. And start working smarter. Instead of harder.

PRESERVATION HALL JAZZ BAND

The soul of New Orleans

"...Masters of their instruments" Greenville News

New Orleans jazz. Written by the people who labored in the streets and saloons of the French Quarter decades ago, it moves the soul like no other music can.
