

Copy Corner is Pleased to Announce That We Will be Celebrating Our

5 Year Anniversary

1710 George Bush Drive • Friday, November 12, 1993

Our business has grown rapidly over the past five years. Some of you have been dedicated customers since day one and many of you have been with us throughout your college career, therefore we would like to take this opportunity to thank each and every one of you for your support.

One of the reasons we have had the opportunity to expand is because of Texas A&M University and its' students. It has been a great experience growing with the changing needs of the students at TAMU. Many of you had the recent opportunity to visit our store to pick up your class notes. We appreciate your patience during our busy season and hope that you received quality work and prompt service. We are always geared toward the students because when we opened Copy Corner five years ago we were students ourselves.

We want to thank all of the professors who have used Copy Corner as their class notes headquarters. Each of you has played a large role in our success. We would like to extend a special thanks to the following professors who have been with us since the beginning.
