Do you have a recent SPRAIN, STRAIN, or FRACTURE?

Are you experiencing moderate to severe pain due to a sprain, strain, or fracture? If so, and you are 18 years of age or older, you may qualify to participate in a pharmaceutical research study for possible relief of musculoskeletal pain. Participants must have had a recent (within three days) injury involving a sprain, strain, or fracture. Qualified participants will be given study medication and a free physical exam. Please remember to call as soon as possible after your injury so that you meet the requirements of this study. For more information, please call:
