Rockets fall to Minnesota

The Associated Press

MINNEAPOLIS — Chris Smith rebounded his own miss and scored with five seconds left Tuesday night, giving Minnesota an 83-81 victory over Houston.

The loss halted a five-game winning streak by the Rockets, who lost for only the third time this season after taking a lead into the fourth quarter.

Stacey King scored 19 points, grabbed 13 rebounds and blocked a career-high seven shots for the Timberwolves.

King, acquired from Minnesota in a trade for Luc Longley on Feb. 23, made two key blocks late in the fourth quarter as the Timberwolves won for just the fifth time in 27 games. He also helped contain Houston's Hakeem Olajuwon, who shot only 10-for-27 from the field.

After Doug West's jumper gave Minnesota a 79-77 with 3:15 left, King blocked layups by Otis Thorpe and Kenny Smith to help preserve the lead.

A dunk by Olajuwon with 1:15 remaining tied it at 79. West hit a jumper with 53 seconds left, but Olajuwon scored a rebound basket to tie it again.

Houston Rockets' forward Mario Elie dribbles the ball at the top of the key, during a Rockets-Dallas Mavericks game this fall.

team makes mistakes, you have to take advantage of them.

"It feels a lot better to win. We need that feeling. Little by little we were putting things together today."

Kevin Beirne, Justin Atchley, Jason Chesson and Brian Parker combined to allow five runs off ten hits for the Aggies. None of the pitchers threw for more than three and 1/3 innings.

Chesson earned his first victory of the season. Pollard (2-3) got the loss for the Crusaders.

Atchley allowed a home run to Suarez in the fifth inning. Parker gave up a home run to Scott Hopgood in the last inning.

Johnson said he thought Beirne had a good night on the mound, but could not say the same about the other pitchers.

"To be honest," he said, "I am a little disappointed with our pitching."

Relays

Continued from Page 7

fastest runners in America were there and we were the last four standing up."

The relay title, the first since the Aggies' 1989 outdoor title, marked the climax to an indoor season that began with disappointment and hardship.

Even before the season, the question of who would come forward to fill the spots left behind by the loss of two members of the relay team from last year were answered early. Miller and Bolden were able to step up and fill the gaps making the championship even more special.

"It adds a lot to the championship," Head Coach Ted Nelson. "We were wondering who would step up and fill the gaps we weren't sure we could fill."

The season opened up in Reno, Nev. where Bolden had the baton

knocked out of his hand in a race that figured to qualify the team for the NCAA meet.

After provisionally qualifying at the meet in Oklahoma City, the Aggies appeared to have the automatic qualification at the Southwest Conference indoors when McCray slipped, costing the team precious seconds and preventing an automatic qualifying time.

Vindication would come three weeks later when the team traveled to Gainesville, Fl. and took advantage of a fast track with the long-desired automatic qualifying time. One week later, the team walked the walk to bring home the title.

"Those youngsters have big hearts and worked hard to make it happen," Nelson said. "The desire was really there and we're very pleased to bring a national championship back to Texas A&M."

The team will start their bid for the indoor/outdoor double championships when the Aggies travel to Arizona this weekend for the Arizona Shootout.
