Capital Murder

Mosher Hall - An officer was dispatched to Mosher Hall to investigate a report of the possible birth of a baby. The investigating officers searched the area and found a deceased baby girl in the first floor trash bin.

Supplemental information - Following the autopsy on 3/28/94, the preliminary findings confirmed the live birth of the infant. Investigation continues.

Terroristic Threat/Aggravated Assault

Walton Hall - The victim reported several individuals were threatened by an individual on the second floor of Walton Hall who pointed a handgun out the window at them while they were engaged in a basketball game. The first officer on the scene observed the suspect point a semi-automatic pistol out of a second floor window threatening to shoot people on the basketball courts on the west side of Walton Hall. The suspect advised the victims that he had 13 bullets and that he was going to use them. Additional officers were summoned and the room occupied by the suspect was located. As the investigating officers proceeded to the second floor, they observed the suspect with the weapon pointed out the window. The investigating officer called to the suspect, "Police, drop the gun!" The suspect turned and looked directly at the officer and pointed it at him. The officer moved to a position of cover and ordered the suspect to drop the weapon. The suspect then stated the weapon was made of plastic. The suspect was secured and the weapon was found to be a replica of a Beretta semi-automatic pistol. Four victims were identified and all desired to file criminal charges. The suspect was transported to the Brazos County Jail and incarcerated.

Dormitory 11 - The victim was the recipient of several threatening telephone calls.
