

Burglary of Vehicle

College Avenue Apartments - The right rear vent window of the victim's 1984 Toyota was shattered and a Sony Model XR-3050 AM/FM cassette stereo was stolen.

College Avenue Apartments - A witness observed three subjects attempting to enter a vehicle near apartment building 13. Investigation revealed the passenger side window of a 1984 Mazda was broken out to gain entry. The owner was contacted. A check of the vehicle revealed nothing was missing.

Parking Area 89 - A Stihl chainsaw, an air compressor, a two-ton jack stand, a Hi Lift truck jack and an assortment of other tools and accessories valued at \$2,236.88 were stolen from the tool box mounted on the victim's 1986 Chevrolet pickup truck.

Parking Area 63 - Two Realistic speakers were stolen from the victim's 1969 Volkswagen by someone who pried open the driver's side vent window to gain entry.

Parking Area 56 - The right rear window was shattered and an unknown brand radar detector was stolen from the victim's 1977 Chevrolet.

Theft of Service

Texas A&M University Golf Course - Two individuals were detected attempting to play a round of golf without payment. The subjects met with Club House personnel and paid their fees.

Misdemeanor Theft

Zachry Engineering Center Bicycle Rack - A black 21-speed Cannondale bicycle was stolen.

Sterling C. Evans Library - Supplemental Information - The person responsible for selling a computer that had been assembled from parts taken from the library was identified. An arrest warrant was issued and the subject was booked into the Brazos County Jail.

Blocher Building Bicycle Rack - A white Univega 10-speed bicycle was stolen.

Veterinary Administration Building - A light blue Marin 21-speed bicycle was stolen.

Wisnaker Engineering Research Center - The rear tire was stolen from the victim's 10-speed bicycle while it was locked to a pole on the east side of the building.

Zachry Engineering Center Bicycle Rack - A Murray Condor 10-speed bicycle painted blue green with spatters of white and silver was stolen from the bicycle rack on the west side of the building.

Hobby Hall Bicycle Rack - A red Magna Red Rider 10-speed bicycle was stolen.

Sterling C. Evans Library - A

Police Beat

memorial fund consisting of cash and personal checks was stolen from a first floor room.

Supplemental Information - Memorial Student Center - The victim located his wife's stolen Raleigh 3-speed bicycle on the west side of Hart Hall. The investigating officer confirmed the information by reviewing the original theft report filed in October of 1993. While at the scene, the officer was able to gather additional facts that led to a suspect. The owner, who desired charges be filed, valued the bicycle at \$15. The suspect was identified and a citation for theft under \$20 was issued.

Eller Oceanography and Meteorology Building Bicycle Rack - A black 12-speed Raleigh bicycle was stolen.

University Police Department Building - A subject was detected stealing money from an employee coffee and flower fund. Charges are pending.

Read Building - A purple Outdoor backpack containing the victim's clothing and wallet was stolen from the hallway outside a handball court on the first floor of the building.

Fowler Hall Bicycle Rack - A blue Aspen Valley Roadmaster 10-speed bicycle was stolen.

Assault

Krueger Hall - The victim's fiancée struck her in the chest when she told him she wished to end their engagement. The victim sustained a contusion to the sternum.

Harassment

Neely Hall - The victim received a call from a subject claiming to be a College Station Police Officer concerning a shooting at a local bar. Investigation revealed the call to be bogus.

Terroristic Threat

Dunn Hall - The victims have received several threatening telephone calls from an unknown male. The subject is apparently calling to speak to a former resident who owes him money.

Criminal Mischief

Southside Parking Garage - Someone wrote several obscene words on the victim's vehicle with white shoe polish.

Parking Area 3 - The victim found a bicycle leaning on the left front quarter panel of his vehicle. Investigation revealed the bicycle had

been thrown on the victim's vehicle denting the hood and left front quarter panel in three places.

Ocean Drilling Program Building - Someone used a blue pen to deface a desk top in a first floor room.

Parking Area 1 - Two dents were found in the driver's door of the victim's Ford Explorer. The damage appeared to be from a projectile similar to a BB or pellet.

Hensel Terrace Apartments - The victim heard what he believed to be a gunshot followed by the breaking of glass in his bedroom. Investigation revealed some type of projectile had struck and broke the middle glass pane of the bedroom window. The projectile was not found.

Parking Area 32 - A sharp instrument was used to scratch a 3 1/2 foot section of the right rear quarter panel on the victim's 1986 Pontiac.

Dormitory 8 - Several pry marks were found on the top hinge pin on the northwest exterior door.

Public Intoxication/Minor in Possession of Alcoholic Beverage

Wellborn and Holleman Drive - The intoxicated passenger of a motorist charged with DWI was arrested and incarcerated in the Brazos County Jail.

Criminal Mischief/Criminal Trespass/Public Intoxication

Francis Hall - Five individuals were detected fleeing from Francis Hall following a loud crash from inside the building. Investigation revealed the subjects had entered the building through a third floor window. Once inside, they toppled a vending machine on the first floor causing damage to the machine, wall, baseboard, floor and fire alarm pull station. The subjects were transported to the Brazos County Jail and incarcerated.

Driving While Intoxicated

Old College Main - An intoxicated motorist was arrested and incarcerated in the Brazos County Jail.

Parking Area 89 - An intoxicated pedestrian was arrested and incarcerated in the Brazos County Jail.

George Bush Drive - Three intoxicated motorists were arrested and incarcerated in the Brazos County Jail.
