"We're going to have to reach a conclusion because we think we have a very competitive team," Astros owner Drayton McLane said last week. The Astros went into Monday

Williams recently said he would happy merely to go home to his spread in Hico, Texas and be with his wife and his cattle and horses. "If I get released, I'm just going to go to my ranch and take it from there," Williams said last Friday in Philadelphia. "I'm not going to seek employment anywhere."

One of these high-speed, high-performance machines can be yours for low monthly payments. The other one is just here for looks.

Lamborghini Diablo VT with leather interior, cool wheels and a really, really, really fast engine.

Power Macintosh 6100/60 8/160 with an Apple Color Plus 14" Display, an Apple Extended Keyboard II and mouse.

Right now, when you qualify for the Apple Computer Loan, you could pay as little as \$33* a month for a Power Macintosh. It's one of the fastest, most powerful personal computers ever. Which means you'll have the ability to run high-performance programs like statistical analysis, simulations, video editing and much more. Without wasting time. If you'd like further information on Power Macintosh, visit your Apple Campus Reseller. You're sure to find a dream machine that's well within your budget.

Power Macintosh for \$33 a month.
