athletes graduate," he said.

Mooney said the Center for Athletic Academic Affairs closely monitors A&M athletes' academics. The center begins evaluating athletes who may be recruited by A&M while they are still in high school, he said.

"We talk to their high school counselors to find out what kind of student they are," he said. "If a student has a learning disability, we put him in contact with someone who can help."

"We take into consideration not only their athletic performance, but their academic performance as well."

Rockets

They certainly were there in the third quarter when a 14-1 surge put them ahead 56-50.

Then the Knicks, chastised by Riley for their lack of aggressiveness in Game 3, were flying all over the court, chasing rebounds, diving after loose balls and racing to guard their men.

It was only the 10th time in the last 30 finals game that a home team won. If the Knicks do it again Friday night, they'll be a win away from their first title in 21 years.

That would give their city a rare double — NBA and NHL titles in the same year. The New York Rangers, who stage their victory parade hours before Friday's game, ended a 54-year
