In this threatening world, everyone needs a PAAL.

Anyone can be a victim of violent crime, anytime, anywhere. Protect yourself with the PAAL II personal attack alarm. When its pin is pulled, the PAAL II emits an ear-piercing alarm and a bright flashing light, startling an attacker and drawing the attention of anyone within a wide area. Unlike other protective devices, the PAAL II can't be used against you. The light on the PAAL II can also be used as a flashlight. Clip a lightweight PAAL II on your clothing wherever you go. It's your best defense against attack or harassment. The technology is Quorum. The opportunity is yours.

We hope you enjoy  
**ICEHOUSE**  
 as long as you enjoy it responsibly.

No exceptions!

ICEHOUSE is ice brewed so there's never any watered down taste. Just more of what you want in a beer. Which is great. But it's also something to treat with care.

That's why we always say at the bottom of every ad what we said at the top of this one.  
 Thanks and enjoy!
