OLEANNA
October 14, 1994
ADMIT ONE
RUDDER THEATER

Using the student/professor relationship as a backdrop, *Oleanna* examines the gender war, sexual harassment, the weapon of political correctness and the abuse of power. Written by David Mamet, the Pulitzer Prize-winning author of *Glengarry Glen Ross* and *Hoffa*, this two-character play also exposes the dangers of arrogance and the consequences of ignorance. No matter which side you choose, *Oleanna* is guaranteed to give you a lot to think about long after the play has ended.
