PRINCIPLES of SOUND RETIREMENT INVESTING

- "CREF Stock Account ★★★★★"
- "CREF Bond Market Account ★★★★★"
- "CREF Social Choice Account ★★★★★"

-Morningstar

ISN'T IT NICE WHEN THE EXPERTS DISCOVER SOMETHING YOU'VE KNOWN ALL ALONG.

Over 1.6 million people in education and research know that choosing TIAA-CREF was a smart move. And now everyone else does too. Because Morningstar—one of the nation's leading sources of variable annuity and mutual fund information—has some stellar things to say about our retirement investment accounts.

annuities."*** Of course, past performance is no guarantee of future results.

"...CREF is far and away the cheapest variable annuity out there."

"This comfortable combination of risk and return has earned the CREF Stock Account a five-star rating.**"

After studying CREF's performance history, Morningstar gave five-stars—its highest rating—to both the CREF Stock and Bond Market Accounts, and an impressive four-stars to the CREF Social Choice Account.** In fact, the CREF Stock Account was singled out as having "...one of the best 10-year records among variable

Morningstar also called attention to CREF's "...rock-bottom" fees—something that can really add to the size of your nest-egg down the road.

What's more, TIAA's traditional annuity—which offers guaranteed principal and interest plus the opportunity for dividends—was cited as having the highest fixed account interest rate among all annuities in its class.

We're happy to accept Morningstar's glowing ratings. But nice as it is to focus on stars, we'll keep focusing on something more down-to-earth: building the financial future you want and deserve.

Morningstar is an independent service that rates mutual funds and variable annuities on the basis of risk-adjusted performance. These ratings are subject to change every month. The top 10% of funds in each class receive five stars, the following 22.5% receive four stars. ***Among the variable annuity accounts ranked by Morningstar: the CREF Stock Account was 1 of 12 growth-and-income accounts with 10 years of performance. Morningstar ranks the performance of a variable annuity account relative to its investment class based on total returns.
