Injuries plague Cowboys' offense IRVING (AP) — The Dallas Cowboys' charge

to a third consecutive Super Bowl took a severe jolt Monday when Pro Bowl offensive lineman Erik Williams was injured in a car accident that likely will sideline him until next year.

"He'll have the opportunity to play again but I doubt it'll be this year," Dallas coach Barry Switzer said after visiting Williams in the hospital. "In my opinion he's going to need reconstruction of the right knee. Thank God he's alive.'

Williams sustained a damaged right knee in the early-morning accident, as well as a broken rib, torn ligaments in his left thumb and facial lacerations that required plastic surgery

An afternoon MRI test indicated Williams' knee suffered a torn medial collateral ligament, a torn posterior cruciate ligament, and a torn popliteal muscle. Doctors said a decision regarding knee surgery will be made after a four- to six-week period.

The only good news for the Cowboys following their 28-21 victory over the Arizona Cardinals

suffering a concussion. The team rallied around backup quarterback Rodney Peete and pulled out a hard. earned victory.

in their class, the Cowboys are the best. Period. End of discussion.

A&M is where the best players are going," Guerrieri said.

"It's a place where they can be recognized and a place they where can show their abilities.

For Blalack the future is now and as demonstrated by the tournament championship this weekend, she is looking for immediate success.

"It (the Classic title) takes us one step closer to our playoff berth," Blalack said.

"I think its going to happen. We still have two more steps, Arkansas and SMU, and I think we're going to take it all coming out this year that the way to the playoffs."

was the status of Troy Aikman, who suffered a concussion in the first quarter.

"I'll play on Sunday against Cincinnati," se Aikman, who underwent an MRI that was neg tive. "This is one of the minor ones (concussion that I've had."

Aikman, who has had four concussions with the Cowboys and six overall going back to high school days in Oklahoma, will play behin patchwork offensive line. Rookie Larry Allen w replace Williams at right tackle. It's a position Allen has never played. He started at left tack earlier in the season.

Also nursing injuries on the offensive line and left tackle Mark Tuinei, center Mark Stepnosk and Nate Newton. They are expected to play.

Tight end Jay Novacek will likely miss the game against the Bengals because of a possible torn abdominal muscle, giving Aikman two less veterans in the offensive line.

"I'm playing, I don't care if we have five high school guys out there," said Aikman.

Texas Stadium to be renovated

IRVING (AP) - Dallas Cow boys owner Jerry Jones is pushing a plan to expand Texas Stadium to 104,000 seats by 1999, adding a retractable roof and replacing the artificial turf with grass.

The project would cost \$130 million to \$140 million, Jones said Sunday.

"If we can be successful with this, Texas Stadium will be the greatest venue in all of sports, Jones said.

Adding about 40,000 seats to reach 104,000 seats would give the Cowboys a larger capacity than any existing U.S. arena.
