RECYCLING: If your building currently is being served by TAMU Recycling, just place your old phone books in a separate container (Plastic sack, cardboard box, etc.) and place it with the rest of your recyclables. You may want to discuss this with your custodial staff or whomever takes care of recycling or your building. Also, a two-day, on-campus phone book drive is planned for old phone books. The drive will take place Nov. 17 & 18. Watch for more information about this event in the future.
