Here, last month, 922 good people got a pin prick, and earned themselves \$46,000 cash
...and helped people they never knew!

They sat back on big leather lounge chairs and relaxed or studied for exams. They exchanged recipes, talked about love, children, life, happenings, boys, girls, politics, tomorrow, french class, car repair, baseball, fishing, and delivering kittens. In 60 minutes they were up and away, cash in hand, feeling good.

You have never opened a door on a friendlier place and the regular extra money is very nice. Everybody needs you.

It's that easy
