

# T-wolves soar past Rockets, 94-75

## Olajuwon scores 22 points in second straight loss

MINNEAPOLIS (AP) — Isaiah Rider scored 21 points and the Minnesota Timberwolves held Houston to 28 second-half points Monday night in a 94-75 victory over the Rockets.

Minnesota kept the Rockets scoreless for a span of 5:31 early in the fourth quarter and used a 13-0 run to open an 80-62 lead with 7:04 to play.

Chris Smith scored eight of his 16 points in the fourth quarter, including a pair of 3-pointers in a 23-6 run that gave the Wolves a 90-68 lead with 3:12 to play.

Christian Laettner scored 15 points and Doug West had 11 points, six assists and a career-high 11 rebounds for the Wolves, who held Hakeem Olajuwon to 4 second-half points.

Things went so well for the Wolves in the fourth quarter that Laettner and Rider were able to sit out the final 10 minutes of the game.

Olajuwon scored 22 points for the Rockets, who dropped their second straight after an eight-game winning streak.

The victory was Minnesota's fourth in its last seven home games, but just its second in the last 10 overall.

Olajuwon and Rider each scored 18 points in a see-saw first half that ended with Houston leading 47-45.

# Strike takes its toll on middle management

NEW YORK (AP) — Managers, coaches and trainers who work with replacement players may be eliminated from the union's benefits and licensing programs.

Eugene Orza, the union's No. 2 official, said Monday that the union's executive board will consider the issue when it next meets, probably the week of Jan. 30. He said no decision will be made until then.

"This isn't very pleasant for anybody," San Francisco Giants manager Dusty Baker said. "This is kind of like making people choose are you for the Union or for the Confederacy."

The players' association represents the manager, four coaches and two trainers from each team for the benefits program and one additional coach for the licensing program. Those club employees pay dues to the union of \$20 per day during the season.

"We understand the difficulty they face," Orza said. "But they have to understand the difficulty players face."

"They are being asked in essence to help break the union. ... There is no law to compel us to represent them. The options range from doing nothing at all to abandonment of the coaches' and trainers' and managers' representation."

The union could stop collecting dues from the team employees and eliminate them from the licensing program while still representing them for health benefits and pensions.

"Coaches are kind of in the middle of the road," New York Mets coach Bobby Wine said. "If they do something with management, the players' association gets mad. If they do something with the players' association, they get fired."

"Eventually some of those players might become managers

and coaches and they'll be on the other end, too," Wine said. "We've got to do what we've got to do, and they've got to do what they've got to do, too."

Baker went through the first strike in 1972, his rookie season.

"There's a few of us," he said, "who have been through and fought for a lot and paid our dues, so to speak, on the players' side: myself, Don Baylor, Jim Fregosi, Davey Johnson, Phil Garner, Cito Gaston. We paid our dues and lost a lot of money striking for where these people are now."

Only Oakland manager Tony La Russa has said he may not manage replacement players. But La Russa can be secure in knowing he probably would have multiple managerial offers if he left the Athletics.

"I'm middle management," Baker said. "Middle management means you're in the middle. It's the toughest position to be in."

# To dial long distance within your area code, simply add your area code.

1 + (your area code) + the number

With so many new telephones, cellular phones, fax machines, modems and pagers, quite frankly, we need more phone numbers. So here's how GTE is freeing up a slew of new ones: Instead of dialing '1' plus a seven-digit number for long distance within your home area code, now simply dial '1' plus your area code, then the number. Easy, huh? Oh, and don't forget to reprogram any auto dialing equipment you may have. Speaking of auto dialers, GTE offers "Speed Calling-8," a time-saving feature that stores up to eight frequently called numbers. To order, call 1-800-346-4300. Then, whether you're dialing long distance or not, it's even easier.

It's amazing what we can do together.™
