PEOPLE IN THE NEWS

ATLANTA (AP) — Two-time Academy Award winner Peter Ustinov, UNICEF's goodwill ambassador for 27 years, has received yet another honor — the International Child Survival Award.

Presented Wednesday night by former President Jimmy Carter on behalf of the Atlanta Committee for UNICEF and the Carter Center, it recognizes Ustinov's work for UNICEF. Ustinov said in an interview that politics is hampering UNICEF's ability to help the children of Iraq, adding that the U.N. embargo on food and medicine doesn't penalize the country's leaders.

"They go on living in great comfort, but the obvious people suffer — the old, the infirmed and the children," he said. "It is tantamount to seeing someone struggling in the sea when you are on a ship and asking them to first fill out a form on their political affiliation, race and religion."

NASHVILLE, Tenn. (AP) — Country music fans nominated Alan Jackson in seven categories, including top entertainer and male artist of the year, in the TNN-Music City News Country Awards. Jackson's "Livin' on Love" was nominated for video of the year and top single. His "Summertime Blues" also was nominated for video of the year and "Who I Am" is up for album of the year. Jackson and George Jones were nominated for their update of Jones' hit "A Good Year for the Roses."

Vince Gill received six nominations Thursday; Reba McEntire and Ricky Van Shelton three each.

The winners will be announced June 5 during a special on The Nashville Network broadcast from the Grand Ole Opry House.

LOS ANGELES (AP) — Less than two months after undergoing hip replacement surgery, Liza Minnelli will be strutting at a film awards banquet.

Minnelli

The 48-year-old actress, who won an Academy Award for her 1972 performance in "Cabaret," plans to appear at the British Academy of Film and Television Arts' fifth annual Britannia Award gala Feb. 8, organizers said Wednesday.

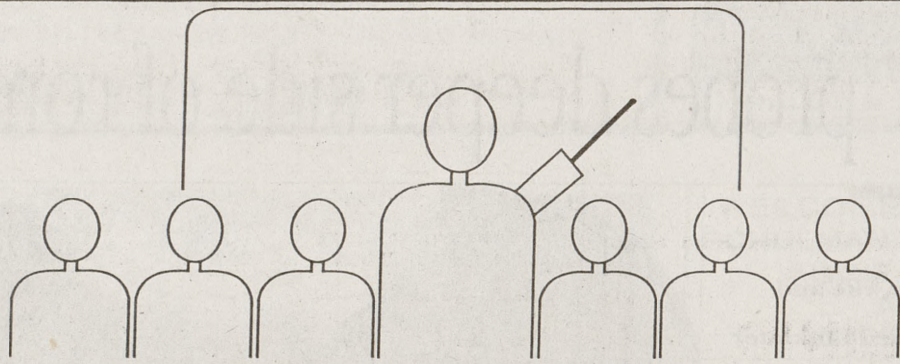

The event will honor actor Anthony Hopkins, best known for his film performances in "The Silence of the Lambs" and "The Remains of the Day."

LOS ANGELES (AP) — Actress Claire Danes, who plays teen-ager Angela Chase on "My So-Called Life," is mourning the apparent demise of the critically acclaimed but little-watched ABC-TV drama.

"It doesn't make any sense to me. I mean, I don't know how the Nielsen system works and you know, I can't help but take it a little personally because we work so hard on something," Danes said in a recent interview.

"My So-Called Life" leaves the air after Thursday's episode, and ABC won't decide until later whether it will return. The show has been scheduled against NBC's highly rated lineup of "The X-Files" and "Friends."
