

How can you stretch your long distance dollar?

Easy.

Just sign up for Easy Long Distance™, new from TCA Communications, at any of our campus locations or at the TCA Communications office and we'll give you a half hour of calls. Free.

Want more? How about special Student Collegiate Cards, Travel Cards, and Home 800 Services that allow you a host of easy-to-use services and billing options.

Or, how about fully digital, fiber-optic quality with no monthly minimum and a savings of up to 25% off AT&T, MCI, or Sprint's best rates.

If leaving home has left you feeling out of touch, look us up on campus or at the TCA Communications office, and we'll show you just how easy it is to stretch your budget to cover long distance costs. Sign up quick—and start spending your free time.
