Avoiding the gridiron gridlock

Traffic Management Task Force suggests alternate travel routes for Aggie game day

A local task force has been working to ease travel conditions for football game goers this weekend.

The group offers the following suggestions for faster and safer travel:

Key exit routes from Kyle Field include University Dr. and George Bush Dr.

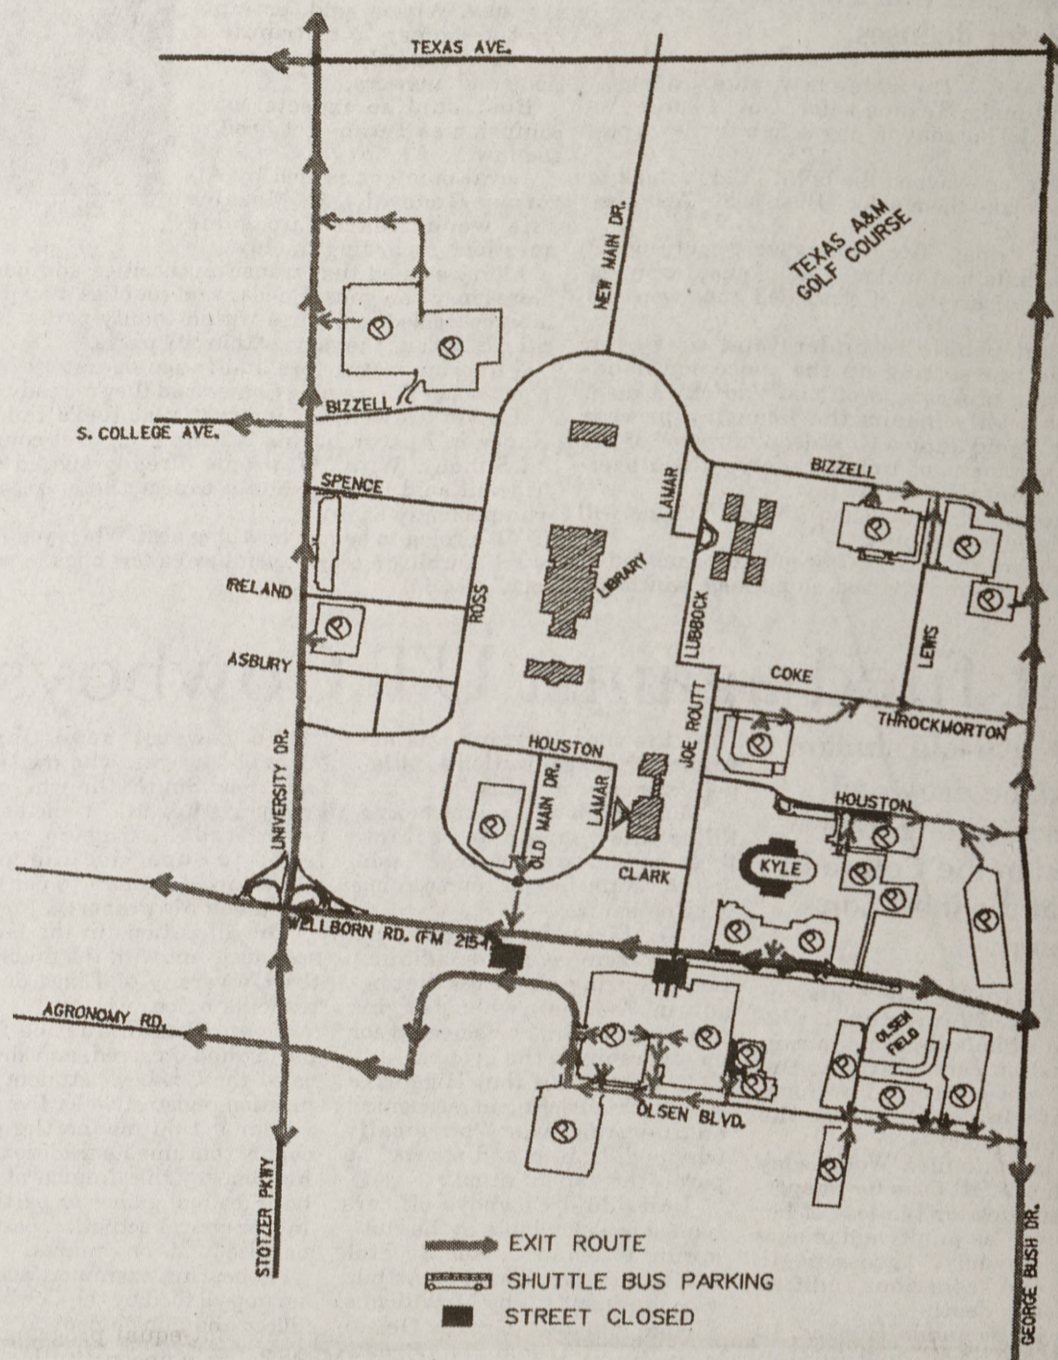

Expect delays, but traffic signals have been timed for faster travel away from the stadium.

Ride the Brazos Transit Football Shuttle.

The shuttle services two parking locations: Consolidated High School at FM 2818 and Welsh and Bryan High School on Briarcrest Dr. just west of the SH 6 Bypass.

Delay your departure after the game for 30 to 45 minutes. Eat a meal, visit with friends, take a walk around campus, then get on the streets.

The Traffic Management Task Force will monitor traffic conditions and adjust the plan between TAMU home games. For more information, call (409) 778-9764.
