

Who's got time?

Scott & White provides personalized, quality health care closer to home.

Science labs. All night study sessions. Aggie football. There's no good time to get sick. Fortunately, at Scott & White's newly expanded, multispecialty clinic in College Station, almost all your health care needs can be taken care of in one place. If you can't wait to see a doctor, visit the Urgent Care Clinic where family practice physicians treat minor traumas and acute illnesses. If you have medical questions, just call the clinic's Patient Advisory Nurse (PAN) between 7 a.m. and 10 p.m. weekdays, and 8 a.m. and 5 p.m. weekends. Call PAN or the Urgent Care Clinic at 691-3387 or 691-3663.

Serving Scott & White Health Plan members along with all other residents of the Brazos Valley.
