

Spurs cruise over Clippers

□ **Robinson had 33 points and 11 rebounds in the 105-86 victory.**

SAN ANTONIO (AP) — David Robinson scored 33 points and grabbed 11 rebounds to lead the San Antonio Spurs to a 105-86 victory over the Los Angeles Clippers on Wednesday at the Alamodome.

Chuck Person, starting for the injured Sean Elliott, added 22 points, including six 3-pointers. Elliott sat out the game with tendinitis in his Achilles' tendon. The Spurs broke open a close game with a 13-3 run in the last three minutes of the third quarter for an 80-67 advantage. Robinson had six points in the run.

Loy Vaught led the Clippers with 15 points, but he had only three in the second half. Terry Dehere, Rodney Rogers and Lamond Murray each added 14 for the Clippers, who fell to 7-8. San Antonio, which beat Los Angeles for the second time in four days, is 8-5.

Person tied a Spurs team record with five 3-pointers in the first half as San Antonio took a 53-49 lead. He hit three in the last two minutes of the first quarter, then added two more early in the second period.

The Spurs led by as many as 12 points in the second quarter, 44-32 with 5:30 left. But San Antonio went almost six minutes without a point from the field, and the Clippers got back into the game with six points from Vaught and a pair of dunks from Charles Outlaw.

Miami pulls out of bowl race

□ **Miami hopes they will be eligible to compete in next year's postseason.**

BOSTON (AP) — The University of Miami will pull its football team from bowl consideration in hopes of avoiding NCAA sanctions that could keep them out of postseason play next year, The Boston Globe reported today.

The newspaper, citing unidentified sources, said a decision could be announced by Friday. If Miami waits until bowl pairings are announced this weekend, the Big East co-champion would be forced to commit to a game.

"It's something we're considering," Miami athletic director Paul Dee told the Globe. "But we still are optimistic that the NCAA may inform us

of their decision in the next few days."

Miami is expected to receive an invitation to the Orange, Gator or Carquest bowls. An Orange Bowl game against Notre Dame could make the school as much as \$3 million profit. But some school officials believe next year's team will be much better than this season's, which is 8-3.

Dropping out of consideration this season would benefit Virginia Tech, the other Big East co-champion at 9-2, which risked losing a major bowl to Miami.

Last month, Miami was charged with 10 rules violations following a four-year NCAA investigation.

The Hurricanes were the premiere team of the 1980s — winning three national championships.

US and Russia in Davis Cup final

□ **Andre Agassi will not play because of a chest injury.**

MOSCOW (AP) — Andre Agassi's withdrawal may force world No. 1 Pete Sampras to play both singles and doubles in the Davis Cup finals against Russia, U.S. captain Tom Gullikson said Wednesday.

Sampras had hoped to play only doubles, leaving the singles to No. 2 Agassi and No. 8 Jim Courier as he teamed with Todd Martin in doubles.

Agassi pulled out Tuesday because of a nagging strained muscle he first suffered in the Davis Cup semifinal September against Sweden. He aggravated the injury at a tournament in Essen, Germany, last month and has not played since.

"There are several different options we have, but I told Pete it could come down to him in singles and doubles," Gullikson said.

Gullikson said he would submit Sampras and Courier as his singles players in Thursday's draw with Martin

and Richey Reneberg in doubles. Reneberg was added Tuesday in Agassi's place.

"We could change the doubles and add him (Sampras) if we had to," Gullikson said.

The Russians, seeking the first Davis Cup championship, are expected to put No. 6 Yevgeny Kafelnikov and clay-court specialist Andrei Chesnokov in singles.

"Since I'm going to play singles, I would prefer not to play doubles," Sampras said. "If I have one day of rest between the two singles, physically I'll feel better."
