## Cowboys ready for round two

□ The Dallas defense prepares for the rematch with the Redskins.

IRVING (AP) — Even two months later, Robert Jones and Darren Woodson are still embarrassed by the way the Dallas defense let Washington's Terry Allen run all over them.

In that 27-23 Redskins victory Oct. 1, Allen ran for 121 yards and two touchdowns. He was named NFC offensive player of the week for his efforts.

No other running back has run for 100 yards against Dallas this season. Allen will go for the two-fer Sunday when the Redskins travel to Texas Stadium.

This time, though, the Cowboys vow to be better prepared.

"We didn't play with the intensity we should have had," said Jones, Dallas' middle linebacker. "The whole defense, we didn't play as well as we should have."

Woodson saw way too much of Allen last game. As a safety, he's not supposed to be a big force stopping the run. But he led Dallas with 15 tackles in the game against the Redskins.

## A new deal

□ Alabama will be off probation and will have nine scholarships reinstated for the '95-'96 season.

TUSCALOOSA, Ala. (AP) — Alabama's football program won the two key elements of its appeal of NCAA sanctions Thursday, and coach Gene Stallings ended weeks of speculation by saying he would return next year.

The NCAA Infractions Appeals Committee refused to overturn a bowl ban this season, meaning No. 21 Alabama (8-3) won't make a postseason appearance for the first time since 1984.

But the panel sided with Alabama on two issues the school considered more important: It agreed to eliminate a third year of probation and restored nine scholarships.

The Crimson Tide will still lose 17 scholarships through the next two years, a penalty the team could feel into the next century.

But Stallings, who had said the outcome of the appeal could affect his return, announced he was coming back. He also admitted embarrassment that the episode occurred on his watch.

"It makes me bristle more than anything," said Stallings, 60, who has three years left on his contract. "I'm anxious to get started recruiting. I'm looking forward to spring practice. I'm already playing with Xs and Os."

The appeals committee action did not affect findings by the NCAA Infractions Committee

concerning former player Antonio Langham's dealings with an agent and bank loans obtained by former player Gene Jelks.

But the appeals committee vacated another primary ruling against Alabama: That former faculty athletics representative Tom Jones acted unethically by trying to mislead the organization about the status of former Langham.

The Committee on Infractions violated procedures by failing to notify the school or Jones of the charge before returning a guilty verdict, the appellate panel ruled.

The appeals committee did not determine whether Jones committed any wrongdoing, but the acting chairman said Jones was again in good standing with the NCAA.

"This action clears his record," said Marshall Criser.

Jones released a statement saying he was pleased the committee had thrown out the "unwarranted finding against me." Jones, who resigned after the initial finding of unethical conduct, made no mention of returning to the post.

Athletic director Hootie Ingram also quit in the wake of the original NCAA decision, and university president Roger Sayers announced his retirement effective next year.
