LEONE: Ice

Cube, Joplin Do

Defense

Defensive Ends: The two bearded guys from ZZ Topwe'll stick a beard at one end and a beard at the other.

Noseguard: The fat guy from Blues Traveler — he'll pretty much clog up the middle all by himself. Outside Linebacker: Ice Cube

he has good speed and a reck less approach to the game. Migh be a discipline problem, though Inside Linebacker: David Ala Coe — he's been to prison. Inside Linebacker: Janis

Joplin — we're gonna stick heri the middle and let her scream he head off at the opposing quarter Outside Linebacker: Keith Mitchell; A&M's "Captain Sack"

used to play drums in his church band. Seriously. Defensive Backs: The Tempta tions — they'll provide blanket coverage and cool endzone dance after returned interceptions.

Intangibles

Special Teams Captain: Ozzy Osborne — any guy who bites the heads off bats will always have spot on our squad. Cheerleaders: Faith Hill, Sha-

they're all sweet and cute and have high feminine voices. Nickel Back: Yoko Ono - She can break up nearly anything she

gets her hands on. Team Doctor: Elvis, in his sweaty, jumpsuited years — no body's better than the King for finding good deals on prescription
