Texas A&M
John J. Koldus Building
Room 110-111

Interviews Scheduled

Please bring your resume and a copy of your transcript or a list of courses.
(Minimum 3.0 GPA Required)

TALK TO TI'S MAJOR PRODUCT & SERVICE GROUPS.

TI's technical managers and recruiters want to see you. They want to tell you about the job opportunities in the many technologies which make Texas Instruments a leader in electronics.

That's why TI is having a Career Fair on the Texas A&M campus, February 14, 1996. It gives the company three days to bring in key engineers and managers to meet you. They'll come from various TI sites to describe programs, answer questions, and schedule interviews.

SIGN UP FOR INTERVIEWS IF YOU ARE GRADUATING WITH THESE DEGREES:

- Bachelor's, Master's or PhD degrees in:
- Electrical Engineering
 - Computer Engineering
 - Computer Science (Business and Scientific)
 - Business Analysis (BANA)
 - Mechanical Engineering

- Chemistry/Chemical Engineering
- Physics (Engineering and Solid State)
- MBA with EE undergraduate degree
- Finance
- Accounting

The Career Fair and sign-ups for interviews will be held: 9:00 a.m. to 5:00 p.m., February 14, Room 110-111, John J. Koldus Building. Interviews (by appointment): February 15 & 16.
