JUNIOR FULBRIGHT

The Junior Fulbright provides graduating seniors and graduate students of U.S. citizenship the opportunity to develop a proposal for a specific research project to be undertaken in the country of their choice during the 1997-1998 academic year. Each applicant may apply once during the current year of competition.

Informational Meeting Times

MONDAY APRIL 15 at 1pm
WEDNESDAY APRIL 17 at 1pm
FRIDAY APRIL 19 at 1pm

All Meetings Held in Bizzell Hall West room 154

MATHEMATICS CONTEST

Annual Freshmen and Sophomore
MATHEMATICS CONTEST
TONIGHT
APRIL 17th, 1996
7:00p.m. - 9:00p.m.
Room 317 Milner Hall

It is intended to award at least six prizes:

- \$150 for paper judged to be the best overall
- \$125 for second best
- \$100 for third best
- \$80 for fourth
- \$60 for fifth
- \$50 for sixth

Contest problems will cover topics up through Math 151 (Engineering Calculus I) for freshmen, and through Math 251 (Engineering Calculus III) for Sophomore contestants.

Contact Doug.Hensley@math.tamu.edu or check out the electronic announcement, my home page, in
<http://www.math.tamu.edu>

For purpose of this contest, freshmen are first-year undergraduate students, and sophomores are second-year undergraduate students.

sports GLANCE

Kent returns to office, Emley to finish season

Only two weeks after suffering a moderate heart attack, longtime Texas A&M Men's Tennis Coach David Kent returned to the office for the first time on Tuesday.

Kent, who is in his 27th season as a collegiate head coach and his 18th at Texas A&M, had the heart attack on the morning of April 1 and admitted himself to the St. Joseph's Regional Health Center that afternoon.

"I really appreciate everyone's support and concern during my time of need," Kent said. "I can't thank everyone enough for the well wishes I've received over the past two weeks. I'm feeling very good and it's great to be back in the office."

Men's Golf Team takes seventh place

The No. 23 Texas A&M Men's Golf Team finished seventh at the Karsten Creek Collegiate Tuesday, beating four teams ranked ahead of the Aggies in the latest Rolex Rankings.

The Aggies' three-round total of 903 was 36 strokes behind No. 8 Florida. The Gators, winners of six tournaments this season, finished 15 strokes ahead of second-place Texas.

The Swedish National Team placed third, followed by No. 4 UNLV, No. 1 Oklahoma State and No. 13 Arkansas.

Florida All-American Josh McCumber, son of PGA Tour veteran Mark McCumber, won the individual title with rounds of 72, 68 and 71. Florida's Robert Floyd, son of legendary professional Ray Floyd, set the course record on Tuesday with a five-under-par 67 and finished fourth at 218.

A&M sophomore Miguel del Angel finished tied for seventh, the highest finish of his career. Junior Jeff Brown tied for 14th, followed by senior Dru Fenimore, who tied for 25th.

"I was pleased with the way Miguel and Jeff played," A&M Golf Coach Bob Ellis said. "It was a very tough day on a very tough course."

SCORES ROUNDUP

Jones toys with greatness during eye-opening first season

By Tom Day
THE BATTALION

Toya Jones has never let the opposition stand in his way of success. Whether the obstacle be a cratering long jump pit, an over-sized wide receiver or an opposing sprinter, Jones usually comes out on top.

This was clearly evident for Jones in high school as he earned Prep All-American honors in both football and track and field.

Things have been no different for the two-sport standout at A&M. The football defensive back/sprinter/high jumper has made quite an impact in this, just his freshman year.

"He's talented, but he's also one of those athletes that really carries himself well," A&M Head Track and Field Coach Ted Nelson said. "He knows his body and what he can and can't do."

Last fall, Jones impressed A&M football coaches and fans with his

quickness and athleticism. He earned a spot as backup safety and made valuable contributions to the special teams, as well.

Jones burst on to the track scene this spring with just as much bravado. Teaming with Bill Fobbs, Thaddeus Shannon and Michael Price in the 400-meter relay, Jones helped lead the Aggies to a season-best time of 32.7 in the event.

The freshman also posted his third-best time on the team in the 100-m dash (10.50) last weekend at the Aggie Invitational and he also put up the third-best long jump this season with a distance of 24 feet 4 1/2 inches.

"He runs second leg on the 4X1 relay, and we qualified for the national championship at that event," Nelson said. "Last Saturday he had a really good long jump, but he fouled. He hasn't worked much of the long jump, but he's got some talent and he's really beginning to come along."

Jones was nothing short of phenomenal at Refugio High School. He led the school's track team to three straight Class 2A championships while scoring a ULL record 147 career points at the state meet.

Jones rewrote the Class 2A record book, setting new marks in three events, as well as earning a gold medal, three silver and one bronze medal at four state meets.

With almost a full year at A&M under his belt, Jones said he has been pleased with his accomplishments thus far.

"I was pretty happy being on the second team all season in football and playing on special teams," Jones said. "Now, to come out here and do pretty good feels great."

As one might imagine, balancing two sports along with a full load of class work is a rather daunting task, something Jones

McCray's final destination: Atlanta

By Kristina Buffin
THE BATTALION

The only two-sport athletes who seem to get any attention are professionals. When you think of athletes with double roles, names like Bo Jackson and Deion Sanders come to mind.

But A&M has its own set of two-sport athletes, including two-time All-American Danny McCray. The junior is not only a wide receiver for the Aggie football team, but is also an instrumental part of the A&M Track and Field Team.

McCray's main track event is the 400-meter dash, but he also competes on the 4X100 meter and 4X400 meter relays.

A&M Head Coach Ted Nelson said McCray has improved on his speed throughout his three years on the team and is close to reaching his potential.

"He came in running 46.8 seconds in the 400-meters in high school," Nelson said. "He has gotten better and has run 45.5 for us and 43.9 in the 4X400 relay."

"He was late coming around because of (football) spring training but he is two weeks away from running good."

McCray came to A&M from Ellison High School in Killeen. He is on scholarship for football and said it is difficult to compete in both sports effectively.

"Football makes it hard to run the 400 without a base," McCray said. "The base is the strength and foundation you build. To run, you have to be strong and in shape."

"Football requires you to be in a different type of shape because it is based on spurts. In track you are looking for
