# A Time to Kill fails to hold grasp throughout

By Jeffrey Cranor  
THE BATTALION

Jake Brigance (Matthew McConaughey), takes Hailey's (Samuel L. Jackson),

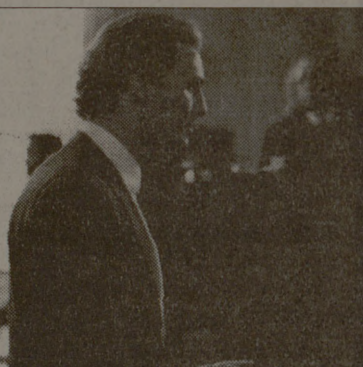

**MOVIE REVIEW**  
**A Time to Kill**  
Starring Matthew McConaughey and Samuel L. Jackson  
Directed by Joel Schumacher  
Rated R  
Playing at Hollywood 16  
\*\*\* 1/2 (out of five)

Fine acting, great promotional trailers and, of course, the name John Grisham all drive *A Time to Kill*. But overall the film lacks drive.  
In a two-and-a-half hour movie, only the first and last 30 minutes really command the audience's attention. All the stuff in between is simply a slow climb to the climax, sparsely spattered with Grisham's trademark wit and creative use of legal loopholes.

In the emotionally gripping opening scene, a pair of redneck thugs rape and attempt to hang a ten-year-old girl while on a drunken tear through a small Mississippi town. The girl's father, Carl Lee Hailey (Samuel L. Jackson), knows that white men tend to get acquitted in court when a race crime is involved, so he personally takes on the role of judge, jury and executioner.  
Hailey shoots down the two men on the courthouse steps and is arrested for capital murder.  
The young, idealistic lawyer,

in typical Grisham style for a mere \$100.  
Brigance soon finds himself a target of the Ku Klux Klan. Facing crosses are placed on his lawn, his family is attacked, and his rear is about to be buried if he does not win the case.  
The corrupt but effective state prosecuting attorney, Rufus Buck (Kevin Spacey), works his way into the jury, the judge and the press, making Brigance's challenge seem nearly impossible.  
From the courthouse going until the end, Akiva Goldsman's screenplay floats above through about 140 subplots. One of these is the sexual tension between Brigance and a law school assistant, Ellen Roark (Sandra Bullock).  
But instead of fearing what might happen to Jake's marriage if he has an affair, the audience does not feel anything cause of the poor acting by Hailey Judd as Carla Brigance.  
Aside from Judd, the acting actually does shine. McConaughey, his first starring role, impresses Hollywood with his good looks and promising career.  
Bullock, as always, is sweet but powerful, and Jackson brings out just enough *mad* from *Pulp Fiction* to make crowd love his Carl Lee.

Hailey shoots down the two men on the courthouse steps and is arrested for capital murder.  
The young, idealistic lawyer,

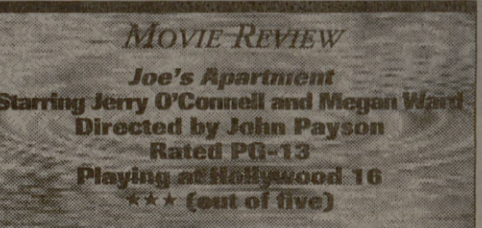

Jake Brigance (Matthew McConaughey) questions Carl Lee Hailey (Samuel L. Jackson), who is accused of murdering two racist thugs.

# Roaches dominate, steal show in Joe's Apartment

By Jeffrey Cranor  
THE BATTALION

please Joe much. They are always around making Joe's job hunt and love life somewhat difficult.

**MOVIE REVIEW**  
**Joe's Apartment**  
Starring Jerry O'Connell and Megan Ward  
Directed by John Payson  
Rated PG-13  
Playing at Hollywood 16  
\*\*\* (out of five)

Cockroaches are cute in their own repulsive little ways. That is, only if they can sing, talk and save lives.  
MTV's first movie, *Joe's Apartment*, is a successful venture where the roaches dominate the refrigerator, the bathroom and the movie screen.  
Joe (Jerry O'Connell) is a new arrival to the Big Apple, and life is hard. He has no home, job or money. But a sudden opening in a dilapidated apartment building becomes Joe's pad at an affordable \$100 a month.  
The two landlords, Vlad (Shiek Mahmud-Bey) and Jesus (Jim Sterling), make times tough for the small-town boy, though. Their boss, Mr. Bianco (Don Ho), wants the building and its residents destroyed to make room for a multi-story state prison.  
Joe manages to stay alive with the help of Ralph and Rodney and about 30,000 newfound roach friends. Much to Joe's surprise, the bugs talk, sing and love slovenly bachelors.  
The roaches, however, do not

have the roaches repel her.  
The little critters also have a negative impact on Joe's career. He cannot hold a job as a pizza man or a copy-store clerk because of the insects constant presence.  
*Joe's Apartment* is surprisingly funny. What seems to be a pointless, inane B-movie on the surface actually turns out to be a pointless, inane B-movie, but in a good way.  
The roaches and their four or five song-and-dance numbers are a riot. The New York crime jokes are abundant and extremely comic. And while bathroom-level humor seeps into the writing quite often, the movie still manages to make the audience laugh despite their grimacing.  
Although *Joe's Apartment* does not compete with larger, more profound films, O'Connell portrays an innocent and convincing Joe in his first ever feature film; and Ward, who has several B-movie roles under her belt, is sweet.  
The roaches, of course, are adorable.

### At Least

Lily (Megan Ward), an optimistic gardener who wants to create a public garden in the East Village, is the center of Joe's attention.

Joe spends his time pining away for the most beautiful girl in the city, Lily, only to have the roaches repel her.

The little critters also have a negative impact on Joe's career. He cannot hold a job as a pizza man or a copy-store clerk because of the insects constant presence.
