## Are there hungry people in my neighborhood?

It's an unfortunate fact. Children and the elderly are those who suffer from hunger most in our country... perhaps even some in your neighborhood. And this season hits hardest for those who are in need.

But you can help. This year, you can be a part of the hunger solution of our area! TCA Cable TV, working with The Brazos Food Bank, is collecting food for the hungry in our area. We need your help and your donation of canned or packaged non-perishable food items.

And you can benefit. If you're already a cable subscriber, bring your canned food donation to our office. Or, from September 30 to October 18, if you wish to subscribe to cable, your donation of 12 cans or more will allow for free activation.\*

Expires October 11, 1996. No payment of interest or principal will be required for 90 days. Interest accruing during this 90-day period will be added to the principal and will bear interest, which will be included in the repayment schedule. For example, the month of May 1996 had an interest rate of 12.15% with an Annual Percentage Rate (APR) of 13.93%. A monthly payment of \$4749 for the Power Mac system is an estimate based on a total loan amount of \$2,765.96, which includes a sample purchase price of \$2,599 and a 6% loan origination fee. Interest is variable based on the Prime Rate as reported on the 5th business day of the month in The Wall Street Journal, plus a spread of 3.9%. Monthly payment and APR shown assumes deferral of principal and does not include state or local sales tax. The Computer Loan has an 8-year loan term with no prepayment penalty and is subject to credit approval. Monthly payments may vary depending on actual computer system prices, total loan amounts, state and local sales taxes and a change in the monthly variable interest rate. ©1996 Apple Computer, Inc.
