ELECT

KUBIAK

State Representative **Dan Kubiak**

★ A Proven Record of Leadership for District 13 ★

Early voting is from
October 16th to November 1st!

As a member of the Texas House of Representatives, Dan Kubiak has been instrumental in protecting the rights of the people of this District, as well as improving the welfare and safety of all Texans.

Working for Our District

- Dan sponsored a bill which will help us promote rural central Texas tourism by naming the stretch of highway linking the two presidential libraries the "Presidential Corridor."
- Dan successfully attached a rider to the Appropriations Act that prohibited the use of state funds for the Texas High Speed Rail Authority, which essentially killed the Bullet Train.
- Through the appropriations process, Dan was able to secure funding for seniors, ranchers, the National Guard, the Star of the Republic Museum at Blinn, the Brenham State School, and TDA labs.

Working for Texas

- Developed a balanced two-year budget, providing for increases in funding for education and human services without raising taxes.
- Dan sponsored the Volunteer Fire Department Liability legislation, which was designed to ease the liability burden of VFD's. VFD's provide essential fire protection for almost 80% of the state's land mass, and do so with extremely limited resources.

Working for Our Youth

- Dan sponsored the Buffalo Soldier At-Risk Youth Program. This program will promote education, discipline, and self-awareness for 'at-risk' children through a program designed using actual Buffalo Soldier curriculum and character development.

"I would appreciate your vote!"

DAN KUBIAK.

You know who he is.
You know where he stands.

★ Jim Hartley ★ for State Representative District 13

On AGRICULTURE

A seventh-generation Texan whose lived around farming and ranching all his life, **Jim Hartley** knows the importance of agriculture to District 13. ★ He will support our farmers and ranchers by **protecting property rights** and fighting to ensure that decisions regarding our **groundwater** are made locally, by those who know our community -- not some bureaucrat in Austin. With 9 years experience on the Southwest Milam Water Supply Corporation, Jim understands the importance of local control over water rights. ★ Our area is one of the top cattle producers in the state, and **Jim Hartley** will be a strong and vocal advocate in the promotion of **Texas beef** and other agriculture products. ★ He will oppose any legislation which puts an undue burden on owners of agricultural property, including farmers and ranchers. Jim knows that strong farmers and ranchers mean a stronger Texas. ★

"If you want new leadership for our community in Austin, I'd appreciate your vote. If I haven't had the chance to meet you face-to-face, I look forward to the opportunity. I'd like to hear from you!"

Jim

**Please Vote for Jim Hartley on
November 5th. Thanks!**
