I'm upset. We just broke up & I need to talk to someone. I think I hate my major. How can I find the right one for me? I'm stressed out! What can I do? I'm on scho pro--worried about grades. How do I improve my study skills? How do I make an appointment to see someone at the Counseling Service? Mom just called & I'm worried about what's going on at home. Does the Student Counseling Service have a group for someone like me? I'm lonely. Can we talk a while?
