Miss "A Tuna Christmas" and you'll be sorry, Charlie

"A Tuna Christmas"
 Tuna, Texas is a nice place to visit but you wouldn't want to live there, especially during the holidays. In this hilarious satire, crisis looms and bad taste rules the day. Will the electric company cut the power on the local theater's production? Will anyone be able to catch the "Christmas phantom" vandalizing holiday yard displays? And why are sales so brisk at the used weapons store? This town of 22 Scrooges comes to life through the quick-change skills of Greg Currie and Brent Briscoe, who between them play every role, both male and female. These characters are eccentric, spiteful and ultimately unforgettable as they manage to salvage some humanity amid the insanity. **Great fun for the whole family!**
