First American Bank has what students want.

(you want it? you got it.)

I want a checking account

And not just any checking account. I want it here, in town, and not a million miles away. I'm going to A&M, the best #*%@ school in the country.

I am the 12th Man!

So I want the 12th Man Account.

I want my bank close. I mean close like right across the street from campus. And just because I'm on campus a lot,

I've got things to do.

So I want more banks all over town - at least eight. And if you can't keep up with my hours, give me ATMs - at least 10.

And I want a bank that can get me a student loan when I need it. No hassles. No run-arounds. Quick. Simple. Painless.

First American Bank

the 12th Man checking account, eight convenient locations, 10 ATMs, the University Center right across the street from campus, and lender of various student loans
