The forecast calls for a
100% chance of fun.

If you're wondering whether or not it's actually going to rain on the stage, the answer is "You bet your duck boots!" When this classic musical hits town it comes complete with a full-blown, indoor, downpour rivaling the scene immortalized by Gene Kelly on film. Set in Hollywood in the Roaring 20s, *Singin' in the Rain* re-creates the songs, dances and much-loved story of two glamorous movie stars, a talented chorus girl and a film studio's frantic transition to "talking pictures." You'll sing along with all the memorable melodies, including the famous title number that drenches the star and ensemble as they dance and splash across the stage. *Singin' in the Rain* will take you by storm!

First American Bank has what students want.

(you want it? you got it.)

I want a checking account

And not just any checking account. I want it here, in town, and not a million miles away. I'm going to A&M, the best #**@ school in the country.

I am the 12th Man!

So I want the 12th Man Account.

I want my bank close. I mean close like right across the street from campus.

And just because I'm on campus a lot, doesn't mean I'll always be on campus.

I've got things to do.

So I want more banks all over town - at least eight. And if you can't keep up with my hours, give me ATMs - at least 10.

And I want a bank that can get me a student loan when I need it. No hassles. No run-arounds. Quick. Simple. Painless.

First American Bank
the 12th Man checking account, eight convenient locations, 10 ATMs, the University Center right across the street from campus, and lender of various student loans
