Three ways to

beat the high

cost of college.

1. The Montgomery GI Bill

2. Student loan repayment

The Army Reserve Alternate

Training Program is a smart way to

Training Program is a smart way to pay for college.

First, if you qualify, the Montgomery GI Bill can provide you with up to \$7,124 for current college expenses or approved vo/tech training.

Second, if you have—or obtain—a qualified student loan not in default, you may get it paid off at the rate of 15% per year or \$500, whichever is greater, up to a maximum of \$10,000. Selected military skills can double that maximum.

Third, you can earn part-time money in college, and here's how it works: One summer you take Basic Training, and the next summer you

receive skill training at an Army

school. You'll earn over \$1,500 for Basic and even more for skill training.

Then you'll attend monthly meetings

at an Army Reserve unit near your college, usually one weekend a month

plus two weeks a year. You'll be paid over \$107 a weekend to start. It's worth thinking about. Give us a call:
