Monday • March 24

## ACTIVITIES

Continued from Page 1

Kruger said this is the first year she has participated, but she will now be an active participant. "I just felt like I had a calling to spread the word," she said.

Big Tent Revival, the music guest scheduled for Tuesday at 7 p.m., will be performing at Rudder Auditorium.

Kelly McElmurry, a junior history major, said she plans to participate in different events throughout the week. She said the importance of this week is that the resurrection of Jesus Christ is the most important thing that has ever happened.

"It gives people that do not know about Christ [a chance] to come out and see what it is all about," she said. "And it gives the people who do know Christ a chance to rejoice in him."

## WORKSHOP

Continued from Page 1

Leah Scamardo, a sixth-grader at Stephen F. Austin Middle School, said she enjoyed the therapist workshop.

"My favorite part was learning new things about how to help people with therapy," Scamardo said.

Kalli Holub, a sixth-grader at Rockdale Junior High School, said she was impressed by the conference.

"I've always wanted to do something with animals," Holub said. "I learned a lot from the new experiences and from getting to see and touch the animals."

## ARMSTRONG

Continued from Page 1

Armstrong said she hopes to learn from her fellow regents, as well as giving the Board her business knowledge.

"Right now, I'm ignorant about your education system, but I will learn it fast," she said. "And, I will be able to contribute my knowledge of business."

O'Connor said it will be nice to work with somebody he already knows, because he understands how she sees things.

"I am excited to work with her because when you don't know somebody, there is a time lapse between getting to know them and knowing how they think," he said. "Because I know her (Armstrong), it expedites the way of doing business. It is kind of like family."

Armstrong will be sworn in Wednesday, March 26 and said she is looking forward to serving on the Board for the next six years.

"I will do my best," she said. "This will be the most rewarding job I've ever had."

Army Dunlap, THE BATTALION

## Running Man

Eyal Mintz, a freshman international business major participates in the bungee run at the Fish Olympics Saturday afternoon.
