**Offer expires October 10, 1997. No payment of interest will be required for 90 days. Interest accruing during the 90-day period will be added to the principal and will bear interest, which will be included in the repayment schedule. For example, the month of May 5, 1997, had an interest rate of 12.40% with an Annual Percentage Rate (APR) of 13.52%. A monthly payment of \$44.22 for the Power Macintosh 6500/250 system is an estimate based on a total loan amount of \$2,553.50, which includes a sample purchase price of \$2,352 and a 6% loan origination fee. Interest is variable based on the Prime Rate as reported on the 5th business day of the month in The Wall Street Journal plus a spread of 3.9%. The Apple Computer Loan has an 8-year loan term with no prepayment penalty and is subject to credit approval. Monthly payments may vary depending on actual computer system prices, total loan amounts, state and local sales taxes and a change in the monthly variable interest rate. ©1997 Apple Computer, Inc.
