**Offer expires October 30, 1997. No payment of interest will be required for 90 days. Interest accruing during the 90-day period will be added to the principal and will bear interest, which will be included in the repayment schedule. DUNKING

Continued from Page 3
"I dunked my ring in one of those huge bottles of Gatorade," Scheer said.
But not all students are ready to give the treasured pitcher of beer the heave-ho.

Lisa Beaumont, a senior psychology major, said she has a special place in her heart for fermented hops.
"I like to think of beer as my friend," Beaumont said. "Dunking my ring in anything else just wouldn't be the same."
A&M students have many dif-

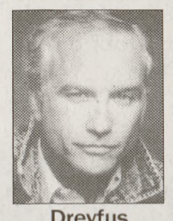

ferent beliefs and there seems to be a place at the table for ring dunkers of all types.
It really boils down to the old phrase, "To each his own." If students want to dunk their ring in liquor, they have numerous options. If not, they have just as many non-alcoholic methods to use.

People in the News

Ivana Trump single again

NEW YORK (AP) — Ivana Trump is single again.
The Czech-born socialite was granted a divorce from husband No. 3, Italian jet setter Riccardo Mazzucchelli, on Monday after 22 months of marriage that had a stormy end.
Two months ago, Mazzucchelli, 54, boasted to the National Enquirer: "I dumped Ivana."
Ivana Trump, 48, issued a statement thanking the judge for making her divorce happen quickly and quietly — no details of a settlement were released.
"Everything looks great for my children and me," she said. "I am ready for an exciting and fulfilling future."

Dreyfus names favorite flicks

Dreyfus

MILWAUKEE (AP) — Richard Dreyfus says he is asked to name his favorite film so often that he no longer answers.
"OK, 'The Good-bye Girl' and 'Mr. Holland's Opus,'" he grudgingly told the Milwaukee Journal Sentinel.
Dreyfus said he was especially pleased with how "Mr. Holland's Opus" seemed to inspire school districts to increase their spending for music programs.
"I walked around the country and was amazed at how I had affected people so much with that film," he said.

Fuhrman to pen new book

Fuhrman

STAMFORD, Conn. (AP) — Mark Fuhrman, the former Los Angeles police detective who gained notoriety in the O.J. Simpson murder trial, is writing a book about the unsolved 1975 murder of a Greenwich teenager.
Fuhrman is investigating the murder of 15-year-old Martha Moxley as a follow-up to his best-selling "Murder in Brentwood" about the Simpson case, The (Stamford) Advocate and the Long Island, N.Y., newspaper Newsday reported Tuesday.
